About Centessa Pharmaceuticals

[Centessa Pharmaceuticals, plc](#) is a clinical-stage pharmaceutical company with a mission to discover, develop and ultimately deliver medicines that are transformational for patients. We are pioneering a new class of potential therapies within our orexin receptor 2 (OX2R) agonist program for the treatment of excessive daytime sleepiness (EDS), impaired attention, cognitive deficits and fatigue across neurological, neurodegenerative and neuropsychiatric disorders. We also have an early-stage immuno-oncology program focused on our novel LockBody[®] technology platform. For more information, visit www.centessa.com, which does not form part of this release.
