Dear Shareholder:

2023 Annual General Meeting of Centessa Pharmaceuticals plc (the "AGM")

This letter, the notice of the AGM set out in this document (the "Notice") and associated materials for the AGM are being sent to you because, as of May 9, 2023 (being the latest practicable date before the circulation of this document), you are registered as a holder of ordinary shares in the register of members of Centessa Pharmaceuticals plc (the "Company"). However, this letter, the Notice and associated materials will also be available to holders of American Depositary Shares ("ADS") and contain information relevant to holders of ADSs.

Our AGM will take place at **1:00 p.m. London time (8:00 a.m. Eastern Time) on Thursday, June 22, 2023 at Goodwin Procter (UK) LLP, 100 Cheapside, London EC2V 6DY**. The Notice is set out in this document, and it contains the resolutions to be proposed at the AGM (the "Resolutions").

For the purposes of the AGM, a quorate meeting will be formed by one or more qualifying persons present at a meeting and between them holding (or being the proxy or corporate representative of the holders of) at least 33 $\frac{1}{3}$ percent in number of the issued shares (excluding any shares held as treasury shares) entitled to attend and vote on the business to be transacted at the Meeting. A "qualifying person" is an individual who is a member, a person authorized to act as the representative of a member (being a corporation) in relation to the meeting, or a person appointed as proxy of a member in relation to the meeting.

Action to be taken by holders of ordinary shares in the Company

If you are a holder of ADSs, please ignore this section and refer instead to the section below "*Holders of American Depositary Shares*".

If you are a holder of ordinary shares in the register of members of the Company, please vote on the Resolutions by appointing a proxy. A form of proxy for use at the AGM is enclosed. **You are encouraged to appoint the Chairman of the AGM as your proxy. If you appoint any person other than the Chairman of the AGM as your proxy, that person may not be allowed to attend the AGM.**

You are advised to complete and return the form of proxy in accordance with the instructions printed on it and so as to arrive at the Company's registrar, Computershare Investor Services plc, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, England as soon as possible but in any event by no later than **1:00 p.m. London time (8:00 a.m. Eastern Time) on Tuesday, June 20, 2023**.

In order to attend and vote at the AGM as an ordinary shareholder, you must continue to be registered as a holder of ordinary shares in the Company's register of members as of **5:00 p.m. London time (12:00 p.m. Eastern Time) on Tuesday, June 20, 2023**.

Therefore, if you sell or transfer your ordinary shares in the Company on or prior to June 20, 2023, your form of proxy can no longer be used and if submitted (whether before or after you sell or transfer your ordinary shares) will be treated as invalid. Please pass this document to the person who arranged the sale or transfer for delivery to the purchaser or transferee. The purchaser or transferee should contact Iqbal Hussain, Company Secretary, by telephone at +44 20 3920 6789, extension 9999, to request a new form of proxy for its use.

Should you elect to convert your holding of ordinary shares in the capital of the Company into an interest in the capital of the Company represented by ADSs before the AGM, you will cease to be a holder of ordinary shares in your own name and will not be entitled to vote at the AGM as an ordinary shareholder. You will also not be able to use the enclosed form of proxy. However, you may be able to exercise your vote as a holder of an interest in the capital of the Company represented by American Depositary Shares, please refer to the next section "*Holders of American Depositary Shares*".

Holders of American Depositary Shares

In order to exercise your vote as a holder of an interest in the capital of the Company represented by ADSs, you or your bank, broker or nominee must be registered as a holder of ADSs in the ADS register maintained by our depositary, Citibank, N.A., **by 5:00 p.m. Eastern Time on Tuesday, May 9, 2023 (the record date for ADS holders).**

If you hold ADSs through a bank, broker or nominee on May 9, 2023, the AGM documentation, including the ADS proxy card, will be sent to your broker who should forward the materials to you. Please reach out to your broker to provide your voting instructions.

Please note that ADS proxy cards submitted by ADS holders must be received by Citibank, N.A. **no later than 10:00 a.m. Eastern Time on Thursday, June 15, 2023.**

Notes

- (a) Only those members registered in the register of members of the Company at 5:00 p.m. London time (12:00 p.m. Eastern Time) on June 20, 2023 will be entitled to attend and vote at the AGM in respect of the number of ordinary shares registered in their name at the time. Changes to entries on the relevant register after that deadline will be disregarded in determining the rights of any person to attend and vote at the AGM. Should the AGM be adjourned to a time not more than 48 hours after the deadline, the same deadline will also apply for the purpose of determining the entitlement of members to attend and vote (and for the purpose of determining the number of votes they may cast) at the adjourned AGM. Should the AGM be adjourned for a longer period, then to be so entitled, members must be entered on the Register at the time which is 48 hours before the time fixed for the adjourned AGM or, if the Company gives notice of the adjourned AGM, at the time specified in the notice.
- (b) Any member may appoint a proxy to attend, speak and vote on his/her behalf. A member may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares of the member. A proxy need not be a member, but must attend the meeting in person. Proxy forms should be lodged with the Company’s Registrar (Computershare Investor Services plc) not later than 1:00 p.m. London time (8:00 a.m. Eastern Time) on June 20, 2023. Completion and return of the appropriate proxy form does not prevent a member from attending and voting in person if he/she is entitled to do so and so wishes. The attached proxy statement explains proxy voting and the matters to be voted on in more detail. Please read the proxy statement carefully. For specific information regarding the voting of your ordinary shares, please refer to the proxy statement under the section entitled “*Questions and Answers About Voting.*”
- (c) Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
- (d) In the case of joint holders, the vote of the senior holder who tenders the vote whether in person or by proxy will be accepted to the exclusion of the votes of any other joint holders. For these purposes, seniority shall be determined by the order in which the names stand in the Company’s relevant register or members for the certificated or uncertificated shares of the Company (as the case may be) in respect of the joint holding.
- (e) Certificateless Registry for Electronic Share Transfer (“**CREST**”) members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM and any adjournments of it by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed voting service providers, should refer to their sponsors or voting service providers, who will be able to take the appropriate action on their behalf.

For a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a “**CREST Proxy Instruction**”) must be properly authenticated in accordance with Euroclear’s specifications and must contain the information required for those instructions as described in the CREST Manual (available via www.euroclear.com). The message, regardless of whether it relates to the appointment of a proxy or to an amendment to the instruction given to the previously appointed proxy, must, to be valid, be transmitted so as to be received by the Company’s agent (ID:3RA50) not later than 1:00 p.m. London time (8:00 a.m. Eastern Time) on June 20, 2023. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed voting service providers, to procure that its CREST sponsors or voting service providers take) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

- (f) If you are an institutional investor you may be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 1:00 p.m. London time (8:00 a.m. Eastern Time) on 20 June 2022 in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proxymity’s associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy.
- (g) As of May 9, 2023 (being the last practicable date before circulation of this Notice), the Company’s issued ordinary share capital consisted of 95,612,804 ordinary shares, carrying one vote each. Therefore, the total voting rights in the Company as of that date are 95,612,804.
- (h) Under s527 of the U.K. Companies Act 2006, members meeting the threshold requirement set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company’s accounts (including the auditor’s report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with s437 of the U.K. Companies Act 2006. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with ss527 or 528 of the U.K. Companies Act 2006. Where the Company is required to place a statement on a website under s527 of the U.K. Companies Act 2006, it must forward the statement to the Company’s auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required, under s527 of the U.K. Companies Act 2006, to publish on a website.
- (i) Except as set out in the notes to this Notice, any communication with the Company in relation to the AGM, including in relation to proxies, should be sent to the Company’s Registrar, Computershare Investor Services plc, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, England. No other means of communication will be accepted. In particular, you may not use any electronic address provided either in this notice or in any related documents to communicate with the Company for any purpose other than those expressly stated.
- (j) Copies of the service agreement for our executive director and of the letters of appointment for our non-executive directors will be available for inspection at the registered office of the Company during normal business hours on any weekday (public holidays excepted) and at the place of the AGM for one hour before the meeting and at the meeting itself.
- (k) Any member attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if: (i) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information; (ii) the answer has already been given on a website in the form of an answer to a question; or (iii) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

SHAREHOLDERS TO BE HELD ON JUNE 22, 2023**

INFORMATION CONCERNING PROXY SOLICITATION AND VOTING

We have sent you this proxy statement and the enclosed form of proxy because the Board of Directors (the “**Board**” or “**Board of Directors**”) of Centessa Pharmaceuticals plc (referred to herein as the “**Company**”, “**we**”, “**us**” or “**our**”) is soliciting your proxy to vote at our annual general meeting of shareholders (referred to herein as the “**Meeting**” or the “**AGM**”) to be held on Thursday, June 22, 2023, at 1:00 p.m. London time (8:00 a.m.) Eastern Time), at Goodwin Procter (UK) LLP, 100 Cheapside, London EC2V 6DY.

- This proxy statement summarizes information about the proposals to be considered at the Meeting and other information you may find useful in determining how to vote.
- The form of proxy is the means by which you actually authorize another person to vote your shares in accordance with your instructions.

In addition to solicitations by mail, our directors, officers and regular employees, without additional remuneration, may solicit proxies by telephone, e-mail and personal interviews. All costs of solicitation of proxies will be covered by us.

We are mailing the Notice of 2023 AGM, this proxy statement, the form of proxy and our annual report on Form 10-K for the financial year ended December 31, 2022 (the “**Annual Report on Form 10-K**”) to our ordinary shareholders of record as of May 9, 2023 (being the latest practicable date before the circulation of this document) for the first time on or about May 15, 2023. In addition, we have provided brokers, dealers, bankers, and their nominees, at our expense, with additional copies of our proxy materials so that our record holders can supply these materials to the beneficial owners of our ordinary shares.

Our U.K. statutory annual accounts and reports for the financial year ended December 31, 2022 (the “**2022 U.K. Annual Report**”) shall only be made available in the Investors & Media section of our website at <https://investors.centessa.com/> no later than 21 days prior to the AGM. We will not be mailing copies of the 2022 U.K. Annual Report or the Annual Report on Form 10-K to our ordinary shareholders.

While this document is being sent to our ordinary shareholders of record as of May 9, 2023 (being the latest practicable date before the circulation of this document), this document will also be sent to holders of American Depositary Shares (“**ADSs**”) and contains information relevant to holders of ADSs.

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting to be Held on June 22, 2023

QUESTIONS AND ANSWERS ABOUT VOTING

Why am I receiving these materials?

We have sent you our Notice of 2023 AGM, this proxy statement and the enclosed form of proxy because you are either (i) an ordinary shareholder of record or (ii) an ADS holder of record and our Board of Directors is soliciting your proxy to vote at the Meeting, including at any adjournments or postponements of the Meeting. You do not need to attend the Meeting to vote your shares but you may if you wish. You may vote by proxy and your vote will be cast on your behalf at the Meeting. To vote your shares whilst you are not in attendance, please simply complete, sign and return the enclosed form of proxy in accordance with the instructions set out in this proxy statement. All proxies, however submitted, must be lodged with our registrar, Computershare Investor Services plc, by no later than **1:00 p.m. London time (8:00 a.m. Eastern Time) on Tuesday, June 20, 2023**. CREST members may appoint a proxy by using the CREST electronic proxy appointment service.

You are encouraged to appoint the Chairman of the Meeting as your proxy. If you appoint any person other than the Chairman of the Meeting as your proxy, that person may not be entitled to attend the Meeting.

We intend to mail this proxy statement, the Annual Report on Form 10-K and the accompanying form of proxy on or about May 15, 2023 to all ordinary shareholders of record as of May 9, 2023 (being the latest practicable date before the circulation of this document).

Materials for ADS holders of record, including this proxy statement, the Annual Report on Form 10-K and an ADS proxy card, will be mailed on or about May 15, 2022 to all ADS holders, including banks, brokers and nominees, who are registered as holders of ADSs in the ADS register **as of 5:00 p.m. Eastern Time on May 9, 2022 (the record date for ADS holders)**.

The 2022 U.K. Annual Report will be available in the Investors & Media section of our website at <https://investors.centessa.com/> no less than 21 days prior to the AGM.

Who can vote at the Meeting?

Ordinary shareholders

Only ordinary shareholders of record registered in the register of members at **5:00 p.m. London time (12:00 p.m. Eastern Time) on Tuesday, June 20, 2023** will be entitled to vote at the Meeting. As of May 9, 2023 (being the last practicable date before the circulation of this proxy statement) there were 95,612,804 ordinary shares issued and outstanding and entitled to vote. As an ordinary shareholder of record, you may vote at the AGM or by proxy. We encourage you to vote by proxy as instructed below to ensure your vote is counted. Such proxy need not be a shareholder of record but must attend the AGM to represent you for your vote to be counted. You are encouraged to appoint the Chairman of the Meeting as your proxy. If you appoint any person other than the Chairman of the Meeting as your proxy, that person may not be entitled to attend the Meeting.

If you sell or transfer your ordinary shares in the Company on or prior to June 20, 2023, your form of proxy can no longer be used and if submitted (whether before or after you sell or transfer your ordinary shares) will be treated as invalid. Please pass this document to the person who arranged the sale or transfer for delivery to the purchaser or transferee. The purchaser or transferee should contact Iqbal Hussain, Company Secretary, to request a new form of proxy for its use.

Beneficial owners of ordinary shares which are registered in the name of a broker, bank or other agent

If, on May 9, 2023, your ordinary shares were held in an account at a brokerage firm, bank or other similar organization and you are the beneficial owner of shares, these proxy materials should be forwarded to you by that organization. The organization holding your account is considered the shareholder of record for purposes of voting at the Meeting. You are encouraged to provide voting instructions to your broker or other agent so that they may submit a proxy.

Holders of American Depositary Shares

You are entitled to exercise your vote as a holder of an interest in the capital of the Company represented by ADSs if you or your brokerage firm, bank or nominee is registered as a holder of ADSs in the ADS register maintained by Citibank, N.A. **as of 5:00 p.m. Eastern Time on Tuesday, May 9, 2023 (the record date for ADS holders)**.

If you hold ADSs through a brokerage firm, bank or nominee on May 9, 2023, the materials for ADS holders, including the ADS proxy card, will be sent to that organization. The organization holding your account is considered the ADS holder of record. Please reach out to that organization to provide your voting instructions.

Please note that ADS proxy cards submitted by ADS holders must be received by Citibank, N.A. **no later than 10:00 a.m. Eastern Time on Thursday, June 15, 2023**.

Citibank, N.A. will collate all votes properly submitted by ADS holders and submit a vote on behalf of all ADS holders.

Contacts for ADS holders

If you have queries about how you can deliver voting instructions, please contact Citibank, N.A. - ADR Shareholder Services by telephone: +1-877-248-4237 (toll free within the United States) or +1-781-575-4555 (for international callers) or by email: citibank@shareholders-online.com or at Citibank, N.A. - Shareholder Services, P.O. Box 505050, Louisville, KY 40233-9724.

If at any point you require guidance, please contact Iqbal Hussain, Company Secretary, by telephone at +44 20 3920 6789, extension 9999.

What are the differences between ADS holders and ordinary shareholders?

Citibank, N.A., as depositary, executes and delivers ADSs on our behalf. We are requesting the depositary, which holds the ordinary shares underlying the ADSs, to seek ADS holders' instructions as to voting for the AGM. As a result, ADS holders may instruct the depositary to vote the ordinary shares underlying their ADSs.

Because we have asked the depositary to seek the instructions of ADS holders, the depositary will notify ADS holders of the upcoming vote and arrange to deliver the proxy materials to them. The depositary then tries, as far as practicable, to vote the ordinary shares as our ADS holders instruct. The depositary does not vote or attempt to exercise the right to vote other than in accordance with the instructions of the ADS holders. We cannot guarantee that ADS holders will receive this proxy statement and the other proxy materials from the depositary in time to permit them to instruct the depositary to vote their shares. In addition, there may be other circumstances in which ADS holders may not be able to exercise voting rights. Furthermore, ADS holders can exercise their right to vote the ordinary shares underlying their ADSs by exchanging their ADSs for ordinary shares. However, even though we are subject to U.S. domestic issuer proxy rules and our shareholder meetings are announced via press release and filed with the SEC, ADS holders may not know about the meeting early enough to exchange their ADSs for ordinary shares.

ADS holders are not required to be treated as holders of ordinary shares and do not have the rights of holders of ordinary shares.

What is the difference between a shareholder of record and a beneficial owner?

These terms describe how your ordinary shares are held. If your ordinary shares are registered directly in our register of members maintained by Computershare Investor Services plc, our registrar, you are a shareholder of record and the proxy materials are being sent directly, or otherwise being made available, to you. If your ordinary shares are held in the name of a broker, bank, or other nominee, you are a beneficial owner of the shares held by your broker, bank or other nominee and the proxy materials are being made available or forwarded to you by your broker, bank, or other nominee, who is treated as the shareholder of record. As the beneficial owner, you have the right to direct your broker, bank, or other nominee on how to vote your ordinary shares by following the instructions on the voting instructions provided to you by such broker, bank or other nominee.

What are the requirements to elect the directors and approve each of the proposals?

You may cast your vote for or against proposals 1 through 8 or abstain from voting your shares on one or more of these proposals.

Proposals 1 through 8 will be proposed as ordinary resolutions. Under English law, assuming that a quorum is present, an ordinary resolution is passed on a show of hands if it is approved by a simple majority (more than 50%) of the votes cast by shareholders present (in person or by proxy) at the Meeting and entitled to vote. If a poll is demanded, an ordinary resolution is passed if it is approved by holders representing a simple majority of the total voting rights of shareholders present (in person or by proxy) who (being entitled to vote) vote on the resolution. It is intended that voting on all resolutions at the Annual General Meeting will be conducted by way of poll. Broker non-votes will have no effect on the election of the nominees.

The result of the shareholder votes on the ordinary resolutions in proposals 4, 5, 7, and 8 regarding re-appointment of KPMG LLP, a United Kingdom entity, as our U.K. statutory auditors, ratification of the appointment of KPMG LLP, a Delaware limited liability partnership, as our independent registered public accounting firm for the financial year ending December 31, 2023, receipt of our U.K. statutory annual accounts and reports for the financial year ended December 31, 2022, and approval of our U.K. statutory directors' annual report on remuneration for the financial year ended December 31, 2022 will not require our Board of Directors or any committee thereof to take any action. Nonetheless, our Board of Directors values the opinions of our shareholders as expressed through such votes and will carefully consider the outcome of the votes on proposals 4, 5, 7, and 8.

What are the voting recommendations of our Board regarding the election of directors and other proposals?

The following table summarizes the items that will be brought for a vote of our shareholders at the Meeting, along with the Board's voting recommendations.

Proposal	Description of Proposal	Board's Recommendation
1	Re-appointment of Carol Stuckley to the Board of Directors	FOR
2	Re-appointment of Brett Zbar to the Board of Directors	FOR

What constitutes a quorum?

Consistent with the Nasdaq Stock Market LLC ("Nasdaq") rules applicable to us as a U.S. domestic registrant and in accordance with our Articles of Association, we require qualified persons present at a meeting and between them holding (or being the proxy or corporate representative of the holders of) at least 33¹/₃ percent in number of the issued shares (excluding any shares held as treasury shares) entitled to vote on the business to be transacted at the Meeting.

If you are an ordinary shareholder of record, your shares will be counted towards the quorum only if you are present in person or represented by proxy at the Meeting. If you are a beneficial owner of ordinary shares held in an account at a brokerage firm, bank or other similar organization your shares will be counted towards the quorum if your broker or nominee submits a proxy for those shares and the proxy represents the holder at the Meeting. A member represented by a proxy at the Meeting will be counted towards the quorum requirement even where the proxy abstains from voting. If a form of proxy does not instruct the proxy how to vote, the proxy may vote as he or she sees fit or abstain in relation to any business of the Meeting, but the member represented by that proxy at the Meeting will be counted towards the quorum requirement.

If there is no quorum, the Meeting will stand adjourned to such time, date and place as may be fixed by the chairperson of the Meeting (being not less than 10 clear days after the date of the original meeting). We require a quorum of at least 33¹/₃ percent in number of the issued shares (excluding any shares held as treasury shares) entitled to attend and vote on the business to be transacted if the Meeting is reconvened, consistent with the Nasdaq rules applicable to us as a U.S. domestic registrant and our Articles of Association. If such quorum is not present at the adjourned meeting within 15 minutes (or such longer interval as the chairman in their absolute discretion thinks fit) from the time appointed for holding the meeting, or if a quorum ceases to be present during a meeting, the meeting shall be dissolved if convened on the requisition of members and in all other cases shall stand adjourned to another time, date and place as may be fixed by the chairperson of the Meeting (being not less than 10 clear days after the date of the original meeting).

How do I vote my shares?

You may vote "For" or "Against" or abstain from voting on the applicable proposal.

If you are an ordinary "shareholder of record," you may appoint a proxy to vote on your behalf by completing and signing the form of proxy and returning it in the envelope provided. We urge you to vote by proxy as instructed below to ensure your vote is counted. You may still attend the AGM and vote in person during the AGM even if you have already voted by proxy.

All proxies must be lodged with our registrar (Computershare Investor Services plc) by no later than **1:00 p.m. London time (8:00 a.m. Eastern Time) on Tuesday, June 20, 2023.**

You may appoint more than one proxy in relation to the AGM (provided that each proxy is appointed to exercise the rights attached to a different ordinary share(s)). To appoint more than one proxy, you should contact our registrar, Computershare Investor Services plc. Such proxy need not be a shareholder of record but must attend the AGM to represent you for your vote to be counted. You are encouraged to appoint the Chairman of the Meeting as your proxy. If you appoint any person other than the Chairman of the Meeting as your proxy, that person may not be entitled to attend the Meeting.

If you properly give instructions as to your proxy appointment by executing and returning a form of proxy and your proxy appointment is not subsequently revoked, your shares will be voted in accordance with your instructions.

If your ordinary shares are held in an account at a brokerage firm, bank or similar organization, you should follow directions provided by your broker, bank or other nominee.

*If you are a holder of ADSs, you should follow the directions on the ADS proxy card you received. Please note that ADS proxy cards submitted by ADS holders must be received by Citibank, N.A. no later than **3:00 p.m. London time (10:00 a.m. Eastern Time) on Thursday, June 15, 2023**. Citibank, N.A. will collate all votes properly submitted by ADS holders and submit a vote on behalf of all ADS holders. Holders of ADSs are not entitled to attend and vote at the AGM in person.*

How will my shares or ADSs be voted if I do not specify how they should be voted?

If you sign and send your form of proxy but do not indicate how you want your shares to be voted, your shares may be voted by the person that you appoint as your proxy as he or she sees fit or such person may abstain in relation to any business of the Meeting. As a reminder, we urge all shareholders to appoint the Chairman of the AGM as your proxy.

If you are a beneficial owner of ordinary shares and your broker, bank or nominee does not receive instructions from you about how your shares are to be voted, such broker, bank or nominee may either vote these shares on behalf of the beneficial owners if permitted by applicable rules or return a proxy leaving these shares un-voted (a "broker non-vote"). A "broker non-vote" refers to a share represented at the meeting held by an organization, as to which instructions have not been received from the beneficial owner or person entitled to vote such shares and with respect to which, on one or more, but not all matters, the broker does not have discretionary voting power to vote such share. Generally, brokers have discretionary voting power to vote shares with respect to proposals that are considered "routine", while they do not have such power with respect to proposals that are "non-routine". Proposals 1, 2, 3 and 8 are considered non-routine matters under applicable rules, while proposals 4, 5, 6, and 7 are considered routine matters. We encourage you to submit your proxy with instructions and exercise your right to vote as a shareholder.

Nevertheless, in accordance with the terms of the deposit agreement by and among the Company, Citibank, N.A. as depositary and holders and beneficial owners of ADSs issued thereunder dated as of June 2, 2021 (the "Deposit Agreement"), holders of ADSs as of 10 pm London time (5 pm Eastern time) on May 9, 2023 (the record date for ADS holders) who do not provide the depositary with voting instructions on or before **3:00 p.m. London time (10:00 a.m. Eastern Time) on Thursday, June 15, 2023** will be deemed to have instructed the depositary to give a discretionary proxy to a person designated by the Company to vote the underlying ordinary shares at the Meeting, and such shares, if such discretionary proxy is given, will be voted in accordance with the board of directors' recommendations, provided, however, that no such discretionary proxy shall be given by the depositary with respect to any matter to be voted upon as to which the Company informs the depositary that (a) the Company does not wish such proxy to be given, (b) substantial opposition exists, or (c) the rights of holders of deposited securities under the Deposit Agreement may be adversely affected. Accordingly, we do not expect any broker non-votes on any of the proposals with respect to shares represented by ADSs.

Can I change my vote or revoke a proxy?

A registered ordinary shareholder can revoke his or her proxy before the time of voting at the Meeting by:

- (1) mailing a revised form of proxy dated later than the prior form of proxy; or
- (2) notifying our Company Secretary in writing that you are revoking your proxy. Your revocation must be received at our registered office before the Meeting to be effective.

A shareholder would also be able to revoke his or her proxy by voting in person at the Meeting.

If your ordinary shares are held in an account at a brokerage firm, bank or similar organization, you may change or revoke your voting instructions by contacting the broker, bank or other nominee holding the shares or by your broker, bank or other nominee validly appointing you as proxy to attend at the Meeting. See also "What if I plan to attend the Meeting?"

If you hold ADSs, directly or through a broker, bank or other nominee, you must follow the instructions provided by Citibank, N.A. or such broker, bank or other nominee if you wish to change your vote. The last instructions you submit prior to the deadline indicated by Citibank, N.A. or the broker, bank or other nominee, as applicable, will be used to instruct Citibank, N.A. how to vote your ADSs.

Who counts the votes?

Computershare Investor Services plc has been engaged as our independent agent to tabulate shareholder votes. If you are an ordinary shareholder of record, you can return your executed form of proxy to Computershare Investor Services plc for tabulation (see instructions on the form of proxy).

If you hold your ordinary shares through a broker, your broker will return the form of proxy to Computershare Investor Services plc.

If you are a holder of record of ADSs, you can return your executed ADS proxy card to Citibank, N.A. for tabulation. If you hold your ADSs through a broker, bank or other organization, that organization can return the ADS proxy card to Citibank, N.A. following your instruction. Citibank, N.A. will submit your votes to Computershare Investor Services plc for tabulation.

How are votes counted?

Votes will be counted by Computershare Investor Services plc, who will separately count “for” and “against” votes, and “votes withheld” or abstentions.

What is an “abstention” and how would it affect the vote?

An abstention is not a vote in law and will not be counted in the calculation of the proportion of the votes for or against a particular resolution.

How many votes do I have?

On a show of hands, each ordinary shareholder of record present in person, and each duly authorized representative present in person of a shareholder that is a corporation, has one vote. On a show of hands, each proxy present in person who has been duly appointed by one or more shareholders has one vote, but a proxy has one vote for and one vote against a resolution if, in certain circumstances, the proxy is instructed by more than one shareholder to vote in different ways on a resolution. On a poll, each shareholder present in person or by proxy or, in the case of a corporation, by a duly authorized representative has one vote for each share held by the ordinary shareholders of record as of **1:00 p.m. London time (8:00 a.m. Eastern Time) on Tuesday, June 20, 2023.**

On each matter to be voted upon, each holder of ADSs has one vote for each ADS held as of May 9, 2023.

What about joint holders?

In the case of joint holders of record of an ordinary share, the vote of the senior who tenders the vote (whether in person or by proxy) will be accepted to the exclusion of the votes of any other joint holders. For these purposes, seniority shall be determined by the order in which the names stand in our relevant register of members of the company (as the case may be) in respect of the joint holding (with the first named being the most senior).

What if I plan to attend the Meeting?

Ordinary shareholders can attend the Meeting, but attendance will be limited to ordinary shareholders of record as of **1:00 p.m. London time (8:00 a.m. Eastern Time) on Tuesday, June 22, 2023.** In order to obtain admittance to the Meeting each shareholder may be asked to present valid picture identification, such as a driver’s licence or passport. If your ordinary shares are held through brokerage accounts or by a bank or other nominee you may be able to attend at the discretion of the Chairman. Any corporation which is an ordinary shareholder of record may by resolution of its directors authorize one or more persons to act as its representative(s) at the AGM and the person(s) so authorized shall (on production of a certified copy of such resolution at the AGM) be entitled to exercise these same powers on behalf of the corporation as the corporation could exercise if it were one of our individual shareholders.

Holders of ADSs are not entitled to attend and vote at the AGM in person in any event.

How do you solicit proxies?

We will solicit proxies and will bear the entire cost of this solicitation. The initial solicitation of proxies may be supplemented by additional mail communications and by telephone, fax, e-mail, internet and personal solicitation by our directors, officers or other employees. No additional compensation for soliciting proxies will be paid to our directors, officers or other employees for their proxy solicitation efforts. We also reimburse Citibank, N.A. for their expenses in sending materials, including ADS proxy cards, to ADS holders of record.

What do I do if I receive more than one notice or form of proxy?

If you hold your ordinary shares in more than one account, you will receive a form of proxy for each account. To ensure that all of your shares are voted, please sign, date and return all forms of proxy. Please be sure to vote all of your shares.

If you hold ADSs in your own name registered on the books of the Depository, you are considered the registered holder of the ADSs and will receive the proxy materials from the Depository. If you hold ADSs through a broker, bank or other nominee, you are considered the beneficial owner of the ADSs and you will receive the proxy materials from your broker, bank or other nominee.

Will there be any other business conducted at the Meeting?

Subject to any shareholder proposals submitted in accordance with section 338 of the U.K. Companies Act 2006 (as summarized below). In accordance with our Articles of Association, no matters other than proposals 1 through 8 may be presented at this Meeting. We have not been notified of, and our Board is not aware of, any other matters to be presented for action at the Meeting.

Under section 338 of the Companies Act, shareholders meeting the threshold requirement in that section may require us to give to our shareholders entitled to receive this notice of the AGM notice of a resolution which may properly be moved and is intended to be moved at the AGM unless (i) it would, if passed, be ineffective whether by reason of inconsistency with any enactment or our constitution or otherwise, (ii) it is defamatory of any person or (iii) it is frivolous or vexatious. Such a request may be in hard copy form or in electronic form, must identify the resolution of which notice is to be given, must be authorized by the person or persons making it and must be received by us not later than May 11, 2023, the date six weeks before the AGM.

RE-APPOINTMENT OF DIRECTORS

Our Board of Directors currently consists of eight members. In accordance with the terms of our Articles of Association, our Board of Directors is divided into three classes, Class I, Class II and Class III, with members of each class serving staggered three-year terms. The members of the classes are currently divided as follows:

- the Class I directors are Arjun Goyal, M.D., M.Phil., M.B.A. and Samarth Kulkarni, Ph.D and their terms will expire at the annual general meeting to be held in 2025;
- the Class II directors are Carol Stuckley, M.B.A., Brett Zbar, M.D., and Mathias Hukkelhoven, Ph.D., and their terms will expire at the AGM and
- the Class III directors are Mary Lynne Hedley, Ph.D., Francesco De Rubertis, Ph.D., and Saurabh Saha, M.D. Ph.D., and their terms will expire at the annual general meeting to be held in 2024.

Upon the expiration of the term of a class of directors, directors in that class will be eligible to be elected for a new three-year term at the annual general meeting in the year in which their term expires.

Under our Articles of Association, at the second annual general meeting following our listing on The Nasdaq Stock Exchange (“**Nasdaq**”), each director in Class II (being each of Carol Stuckley, M.B.A , Brett Zbar, M.D., and Mathias Hukkelhoven, Ph.D.) will retire from office but will be eligible for re-appointment by ordinary resolution at such annual general meeting and, in each case, where such director is so re-appointed, they will be entitled to serve until the third anniversary of such annual general meeting, at which point such director shall retire from office but shall be eligible for re-appointment. The nominees are presently directors, and have indicated a willingness to continue to serve as directors, if elected. If the nominees become unable or unwilling to serve, however, the proxies may be voted for a substitute nominee selected by our Board of Directors.

In connection with proposals 1, 2 and 3, we set forth the biographical information for the nominees to our Board of Directors. For biographical information for the other directors, see *Board of Directors and Corporate Governance*.

PROPOSAL 1—RE-APPOINTMENT OF CAROL STUCKLEY TO THE BOARD OF DIRECTORS

Carol Stuckley is currently a member of our Board of Directors and chair of our Audit Committee and has been nominated for re-appointment as a director. If elected, she will hold office from the date of her election until the 2026 annual general meeting of shareholders where she must retire by rotation and offer herself for re-appointment, or until her earlier death, resignation or removal. Ms. Stuckley has agreed to serve if elected, and we have no reason to believe that she will be unable to serve.

Carol Stuckley, M.B.A. joined our board of directors in May 2021. Ms. Stuckley has served on the board of Epizyme, Inc., a US biopharmaceutical company traded on NASDAQ since November 2021. Ms. Stuckley’s previous roles include Vice President, Finance North America of Galderma Laboratories, L.P., and during her close to 23-year career at Pfizer, Inc., Vice President, Assistant Treasurer and Corporate Officer. Ms. Stuckley earned a M.A. in economics in 1980 and a M.B.A in International Business and Finance in 1979 from the Fox Business School at Temple University. Ms. Stuckley also earned a B.A. in economics and French from the University of Delaware in 1977. We believe Ms. Stuckley is qualified to serve on our board of directors because of her executive leadership experience and board member experience at an international pharmaceutical company, as well as her financial and accounting expertise and knowledge of the pharmaceutical industry and other industries.

The affirmative vote of holders representing a simple majority of the total voting rights of shareholders present in person or by proxy who (being entitled to vote) vote on the matter will be required to re-appoint Carol Stuckley to the Board of Directors as a Class II director.

UNTIL THE CONCLUSION OF THE NEXT ANNUAL GENERAL MEETING OF SHAREHOLDERS**

At each meeting at which the accounts are laid before shareholders, the Company is required to appoint U.K. statutory auditors to serve until the next such meeting. Proposal 4 seeks your approval of the re-appointment of KPMG LLP, a United Kingdom entity (“KPMG UK”), to serve as our U.K. statutory auditor, to hold office until the conclusion of the next meeting at which the Company’s annual accounts and reports are laid before the Company. In the event this proposal does not receive the affirmative vote of the holders of a majority of the shares entitled to vote and who are present in person or represented by proxy at the Meeting, the Board of Directors may appoint an auditor to fill the vacancy. If the re-appointment of KPMG UK is approved, the Audit Committee, at its discretion, may nonetheless direct the appointment of a different U.K. statutory auditor at any time it decides that such a change would be in the best interest of the Company and its shareholders.

PROPOSAL 5—RATIFICATION OF THE RE-APPOINTMENT OF KPMG LLP, A DELAWARE LIMITED LIABILITY PARTNERSHIP, AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FINANCIAL YEAR ENDING DECEMBER 31, 2023

Proposal 5 seeks your ratification of the appointment of KPMG LLP, a Delaware limited liability partnership (“KPMG US”), as the Company’s independent registered public accounting firm for the financial year ending December 31, 2023.

Background to Proposal 5

The Audit Committee is solely responsible for selecting the Company’s independent registered public accounting firm for the financial year ending December 31, 2023. Our Audit Committee has selected KPMG US as our independent registered public accounting firm for the financial year ending December 31, 2023, and has further directed that we submit the selection of KPMG US for ratification by our shareholders at the Meeting. In the event this proposal does not receive the affirmative vote of the holders of a majority of the shares entitled to vote and who are present in person or represented by proxy at the Meeting, the Board of Directors may appoint an auditor to fill the vacancy. If the appointment of KPMG US is ratified, the Audit Committee, at its discretion, may nonetheless direct the appointment of a different independent registered public accounting firm at any time it decides that such a change would be in the best interest of the Company and its shareholders.

KPMG US has indicated its willingness to act as the Company’s auditor. A representative of KPMG US is expected to be present at the Meeting and will have an opportunity to make a statement if he or she desires to do so and to respond to appropriate questions from our shareholders.

KPMG US commenced auditing our annual financial statements with the financial year 2021. We expect representatives of KPMG US to be in attendance at the AGM, to make a statement if they so desire, and to be available to respond to appropriate questions.

CORPORATE GOVERNANCE

Composition of Our Board of Directors

Our Board of Directors currently consists of eight members, all of whom were elected pursuant to the board composition provisions in our articles of association. Our directors hold office until their successors have been elected and qualified or until the earlier of their resignation or removal.

Our articles of association provide that, our Board of Directors are divided into three classes, designated as "Class I", "Class II" and "Class III", each of which consists, as nearly as possible, of one-third of the total number of directors constituting our entire board of directors and which serve staggered three-year terms. At each annual general meeting, the successors of directors whose terms then expire will be elected to serve from the time of election and qualification until the third annual meeting following election. Directors of the class retiring at the annual general meeting shall be eligible for re-appointment by ordinary resolution at such annual general meeting. At every subsequent annual general meeting any director who has been appointed by our Board of Directors since the last annual general meeting must retire from office and may offer themselves for reappointment by the shareholders by ordinary resolution.

Our Board of Directors has determined that all members of the Board of Directors, except Saurabh Saha M.D., Ph.D. are independent, as determined in accordance with the rules of Nasdaq. In making such independence determination, our Board of Directors considered the relationships that each such non-employee director has with us and all other facts and circumstances that the Board of Directors deemed relevant in determining their independence.

Our Nominating and Governance Committee and board of directors may therefore consider a broad range of factors relating to the qualifications and background of nominees, which may include diversity and is not limited to race, gender or national origin. Whilst we take diversity very seriously, currently we have no formal policy regarding board diversity. Our Nominating and Governance committee's and board of directors' priority in selecting board members is identification of persons who will further the interests of our shareholders through his or her established record of professional accomplishment, the ability to contribute positively to the

collaborative culture among board members, knowledge of our business, understanding of the competitive landscape and professional and personal experiences and expertise relevant to our growth strategy.

Diversity includes race, ethnicity, age, and gender and is also broadly construed to take into consideration many other factors, including industry knowledge, operational experience, scientific and academic expertise and personal backgrounds. The composition of our Board currently includes three individuals who are diverse under the NASDAQ listing rule regarding board diversity, as presented in the below Board Diversity Matrix. Under the NASDAQ listing rule, directors who self-identify as (i) female, (ii) an underrepresented minority, or (iii) LGBTQ+ are defined as being diverse. Information about each individual director and director nominee is set forth above.

Staggered Board

Our articles of association provide that our Board of Directors is divided into three classes, Class I, Class II and Class III, each of which consists, as nearly as possible, of one-third of the total number of directors constituting our entire board and which serve staggered three-year terms. At each annual general meeting, the successors of directors whose terms then expire will be elected to serve from the time of election and qualification until the third annual meeting following election.

- our Class I directors are Arjun Goyal, M.D., M.Phil., M.B.A. and Samarth Kulkarni, Ph.D. and their terms at the annual general meeting to be held in 2025;
- our Class II directors are, Carol Stuckley, M.B.A., Brett Zbar, M.D., and Mathias Hukkelhoven, Ph.D., and their terms will expire at the AGM; and
- our Class III directors are Mary Lynne Hedley, Ph.D., Francesco De Rubertis, Ph.D., and Saurabh Saha, M.D. Ph.D., and their terms will expire at the annual general meeting to be held in 2024.

Our articles of association provide that the authorized number of directors may be changed only by ordinary resolution of the shareholders. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class shall consist of one third of the Board of Directors.

The division of our Board of Directors into three classes with staggered three-year terms may delay or prevent shareholder efforts to effect a change of our management or a change in control.

Board’s Role in Risk Oversight

Our Board of Directors oversees the management of risks inherent in the operation of our business and the implementation of our business strategies. Our Board of Directors performs this oversight role by using several different levels of review. In connection with its reviews of our operations and corporate functions, our Board of Directors addresses the primary risks associated with those operations and corporate functions. In addition, our Board of Directors reviews the risks associated with our business strategies periodically throughout the year as part of its consideration of undertaking any such business strategies.

Each of our board committees also oversees the management of our risk that falls within the committee’s areas of responsibility.

In performing this function, each committee has full access to management, as well as the ability to engage advisors. Our Principal Financial Officer reports to the Audit Committee and is responsible for identifying, evaluating and implementing risk management controls and methodologies to address any identified risks. In connection with its risk management role, our Audit Committee meets privately with representatives from our independent registered public accounting firm and our Principal Financial Officer. The Audit Committee oversees the operation of our risk management program, including the identification of the primary risks associated with our business and periodic updates to such risks, and reports to our Board of Directors regarding these activities.

Policy on Trading, Pledging and Hedging of Company Stock

Certain transactions in our securities (such as purchases and sales of publicly traded put and call options, and short sales) create a heightened compliance risk or could create the appearance of misalignment between management and stockholders. In addition, securities held in a margin account or pledged as collateral may be sold without consent if the owner fails to meet a margin call or defaults on the loan, thus creating the risk that a sale may occur at a time when an officer or director is aware of material, non-public information or otherwise is not permitted to trade in Company securities. Our insider trading policy expressly prohibits derivative transactions of our stock by our executive officers, directors and employees. Our insider trading policy expressly prohibits purchases of any derivative securities that provide the economic equivalent of ownership.

Board Committees

Our Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee, each of which operates pursuant to a separate charter adopted by our Board of Directors which are available on Centessa's website, <https://investors.centessa.com>. The Compensation Committee’s responsibilities include:

- reviewing and discussing with the board of directors corporate succession plans for the Chief Executive Officer and other key officers.

In 2022, the Compensation Committee retained the services of Aon’s Human Capital Solutions practice, a division of Aon plc (“**Aon**”), an independent compensation consultant, to assist the Compensation Committee with respect to compensation actions in 2022 with the goal of ensuring that our compensation arrangements for our Chief Executive Officer, our other senior executive officers and our non-executive directors were competitive. In relation to work carried out in 2022, fees charged by Aon for advice provided to the Committee amounted to approximately \$130,000 (2021: \$135,000).

Nominating and Corporate Governance Committee

Francesco De Rubertis, Ph.D., Mathias Hukkelhoven, Ph.D. and Samarth Kulkarni, Ph.D. serve on our Nominating and Corporate Governance Committee, which is chaired by Francesco De Rubertis, Ph.D. Our Board of Directors has determined that each member of the Nominating and Corporate Governance Committee is “independent” as that term is defined in the applicable rules of Nasdaq. - recommending to the board of directors the persons to be nominated for election as directors and to each of the board’s committees;
- developing and recommending to the board of directors a set of corporate governance guidelines; and
- overseeing the evaluation of the board of directors and management.

Our Board of Directors may establish other committees from time to time.

Corporate Governance

We have adopted a written Code of Business Conduct and Ethics (Code of Ethics) that applies to our directors, officers and employees, including our Principal Executive Officer, Principal Financial Officer, Principal Accounting Officer or Controller, or persons performing similar functions. A current copy of the Code of Ethics is posted on the Corporate Governance section of our website, which is located at <https://investors.centessa.com/corporate-governance/documents-charters>. If we make any substantive amendments to, or grant any waivers from, the Code of Ethics for any officer, we will disclose the nature of such amendment or waiver on our website or in a current report on Form 8-K.

Director Nomination Process

The process followed by our Nominating and Corporate Governance Committee to identify and evaluate director candidates includes requests to board members and others for recommendations, including through the use of search firms or other advisors, meetings from time to time to evaluate biographical information and background material relating to potential candidates, and interviews of selected candidates by management, recruiters, members of the committee and our Board.

Once candidates have been identified, the Nominating and Corporate Governance Committee confirms that the candidates meet all of the minimum qualifications for director nominees established by the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee may gather information about the candidates through interviews, detailed questionnaires, comprehensive background checks or any other means that the Nominating and Corporate Governance Committee deems to be appropriate in the evaluation process. The Nominating and Corporate Governance Committee then meets as a group to discuss and evaluate the qualities and skills of each candidate, both on an individual basis and taking into account the overall composition and needs of our Board of Directors. Based on the results of the evaluation process, the Nominating and Corporate Governance Committee recommends candidates for the Board of Directors' approval to fill a vacancy or as director nominees for election to the Board of Directors by our shareholders each year in the class of directors whose term expires at the relevant annual general meeting.

The qualifications, qualities and skills that our Nominating and Corporate Governance Committee believes must be met by a committee-recommended nominee for a position on our Board of Directors are as follows:

- The nominee shall have experience at a strategic or policymaking level in a business, government, non-profit or academic organization of high standing.
- The nominee shall be highly accomplished in his or her respective field, with superior credentials and recognition.
- The nominee shall be well regarded in the community and shall have a long-term reputation for the high ethical and moral standards.
- The nominee shall have sufficient time and availability to devote to the affairs of the Company, particularly in light of the number of boards of directors on which such nominee may serve.
- To the extent such nominee serves or has previously served on other boards, the nominee shall have a demonstrated history of actively contributing at board meetings.

We have no formal policy regarding board diversity. Our priority in selection of board members is identification of members who will further the interests of our shareholders through consideration of a number of facts and circumstances, including among other things, the skills of the prospective director candidate, his or her depth and breadth of business experience or other background characteristics, his or her independence and the needs of the Board of Directors.

Shareholder Recommendations and Nominees

Our Nominating and Corporate Governance Committee considers both recommendations and nominations for candidates to the Board from shareholders so long as such recommendations and nominations comply with our Articles of Association and applicable laws, including the rules and regulations of the SEC. Shareholders may recommend director nominees for consideration by the Nominating and Corporate Governance Committee by writing to our Company Secretary at the address below, or the Company's registered office address from time to time, and providing evidence of the shareholder's ownership of our ordinary shares and/or ADSs, the nominee's name, home and business address, as well as the nominee's detailed biographical data and qualifications for board membership, and information regarding any arrangements or understandings between the shareholder and the recommended candidate.

Following verification of the shareholder status of the person submitting the recommendation, all properly submitted recommendations will be promptly brought to the attention of the Nominating and Corporate Governance Committee. Shareholders who desire to nominate persons directly for election to the Board at an annual general meeting of shareholders must meet the deadlines and other requirements set forth under "Additional Information-Shareholder Proposals for 2024 Annual General Meeting." Any vacancies on the Board of

Directors occurring between our annual general meetings of shareholders may be filled by persons selected by a majority of the directors then in office, in which case any director so elected will serve until the next annual general meeting of shareholders when such director will offer himself/herself for re-appointment, or by persons elected by an ordinary resolution of the shareholders of the Company.

The Centessa Subsidiaries were incorporated at various times within the period from 2013 to 2019, and had operated as independent companies. Pursuant to the terms of contribution agreements in respect of each Centessa Subsidiary dated December 31, 2020 in the case of PearlRiver Bio (as amended from time to time) and January 23, 2021 in the case of all other Centessa Subsidiaries (other than Palladio Biosciences), all shareholders of each of the Centessa Subsidiaries (other than Palladio Biosciences) exchanged the shares held by them in the relevant Centessa Subsidiary for newly issued B ordinary shares of Centessa Pharmaceuticals Limited and, as a result, each of the Centessa Subsidiaries (other than Palladio Biosciences) became a wholly owned subsidiary of Centessa Pharmaceuticals Limited. On the same date, Palladio Biosciences merged with UPM Merger Sub, Inc. (a subsidiary of Centessa incorporated for the purposes of merging with Palladio Biosciences) pursuant to a merger agreement. Palladio Biosciences was the surviving entity of the merger and thereby became a wholly owned subsidiary of Centessa Pharmaceuticals Limited.

In connection our initial public offering, we re-registered Centessa Pharmaceuticals Limited as an English public limited company and renamed it as Centessa Pharmaceuticals plc.

We refer to the reorganization, pursuant to which each of the Centessa Subsidiaries became a wholly owned subsidiary of Centessa Pharmaceuticals Limited, and the subsequent re-registration of Centessa Pharmaceuticals Limited as a public limited company with the name Centessa Pharmaceuticals plc and reorganization of shares in Centessa Pharmaceuticals plc, as our “Reorganization.”

The Reorganization took place in several steps.

Founding of Centessa

Centessa Pharmaceuticals Limited was incorporated on October 26, 2020 with a single subscriber share (being one Ordinary Share of £1) issued to an individual associated with Medicxi.

On November 17, 2020, Centessa Pharmaceuticals, Inc. was incorporated in Delaware as a wholly owned subsidiary of Centessa under the name of United Medicines Biopharma US Inc. Centessa Pharmaceuticals, Inc. was incorporated to be Centessa’s operating company in the US.

On November 24, 2020, Centessa Limited was incorporated in England and Wales as a private company with limited liability and a wholly-owned subsidiary of Centessa under the name of United Medicines Biopharma (Midco) Limited with company number 13040752 for the purposes of becoming the direct holding company of the Centessa Subsidiaries.

On November 27, 2020, the one Ordinary Share of £1 held by an individual associated with Medicxi was sub-divided into 500 Ordinary Shares of £0.002 each; and Centessa issued 6,747,500 Ordinary Shares to individuals associated with Medicxi and on 2 December 2020, Centessa issued 752,000 further Ordinary Shares to the Index Foundation. Each of the 7,500,000 Ordinary Shares were redesignated as A Ordinary Shares in connection with the closing of the Crossover Investment (as defined below) on January 29, 2021 and 4,450,000 A Ordinary Shares were acquired for nominal value and cancelled by Centessa.

On December 29, 2020, Centessa entered into a convertible loan agreement with Medicxi Growth I LP and Medicxi Growth Co-Invest I LP (collectively Medicxi Growth), whereby the Company issued \$5.0 million of unsecured convertible term notes to Medicxi Growth (the Convertible Notes). The Convertible Notes converted into an aggregate 568,181 Series A Shares at a subscription price of \$8.79999964 in connection with the closing of the Crossover Investment (as defined below) on January 29, 2021.

As a result of the transactions contemplated by the Contribution Agreements, on January 29, 2021, Centessa simultaneously acquired 100% of the outstanding equity of the ten entities set out below, in each case in exchange for B ordinary shares in the capital of Centessa. Centessa Pharmaceuticals (Orexia) Limited and Inexia Limited Consolidation

Due to the overlapping therapeutic focus of our Centessa subsidiaries, Centessa Pharmaceuticals (Orexia) Limited and Inexia Limited, we determined it to be in the best interest of both entities to combine the business of Centessa Pharmaceuticals (Orexia) Limited and Inexia Limited. In order to streamline their common operations and oversight, in April 2021 Centessa Pharmaceuticals (Orexia) Limited, Inexia Limited and the Company executed an Intra Group Sales Agreement whereby Inexia Limited assigned the rights to its business and assets to Centessa Pharmaceuticals (Orexia) Limited for nil consideration.

Capital Reduction and Re-designation of the Shares in Centessa

Pursuant to part 17 of the Companies Act, on April 30, 2021, Centessa reduced the nominal value of each of its B ordinary shares from £1.50 to £0.001 and cancelled the full amount standing to the credit of its share premium reserve pursuant to a capital reduction supported by a directors’ solvency statement. The capital reduction was carried out to create distributable reserves in Centessa to support future distributions. Following the capital reduction, Centessa re-designated all of the B Ordinary Shares into A Ordinary Shares in order to simplify the capital structure.

Re-registration of Centessa Pharmaceuticals Limited as Centessa Pharmaceuticals plc

On May 14, 2021, we altered the legal status of our company under English law from a private limited company by re-registering Centessa Pharmaceuticals Limited as a public limited company and renaming it as Centessa Pharmaceuticals plc. Such re-registration required the passing of special resolutions by the shareholders of Centessa Pharmaceuticals Limited to approve the re-registration as a public company, the name change to Centessa Pharmaceuticals plc and the adoption of new articles of association for Centessa Pharmaceuticals plc.

Re-designation and Consolidation of Shares in Centessa Pharmaceuticals plc

On May 20, 2021, Centessa undertook a reverse share split whereby every two of Centessa's outstanding Series A preferred shares of nominal value £0.001 each were consolidated into one Series A preferred share of nominal value £0.002 each and every two of Centessa's outstanding A ordinary shares of nominal value £0.001 each were consolidated into one A ordinary share of nominal value £0.002 each. The fractional entitlements resulting from the reverse share split were then consolidated into a single deferred share of £0.0052 which was transferred to us for no consideration and subsequently cancelled. These actions taken together are referred to as our "reverse share split". Our reverse share split did not alter the proportionate shareholding of any of our existing shareholders (save for the consolidation of fractional entitlements).

Immediately prior to the completion of our initial public offering, and as the final step of the Reorganization, all of Centessa's outstanding Series A preferred shares of nominal value £0.002 each and A ordinary shares of nominal value £0.002 each were re-designated on a one-to-one basis into an aggregate of 71,078,886 ordinary shares of nominal value £0.002 each.

2022 Internal Reorganization

On December 19, 2022, Centessa Pharmaceuticals Holdings, Inc., was incorporated by way of a sole incorporator action. Pursuant to the terms of a contribution agreement with an effective date of December 19, 2022, Centessa Pharmaceuticals plc exchanged the shares held by it in the share capital of Centessa Pharmaceuticals Inc. for newly issued shares of common stock in Centessa Pharmaceuticals Holdings, Inc. and consequently, Centessa Pharmaceuticals Holdings, Inc. became a wholly owned subsidiary of Centessa Pharmaceuticals plc and Centessa Pharmaceuticals, Inc. became a wholly owned subsidiary of Centessa Pharmaceuticals Holdings, Inc.

On December 20, 2022, Centessa Pharmaceuticals plc exchanged the shares held by it in the below named Centessa subsidiaries for newly issued ordinary shares of Centessa Pharmaceuticals (UK) Limited and, as a result, each of the below named Centessa Subsidiaries became a wholly owned subsidiary of Centessa Pharmaceuticals (UK) Limited:

1. ApcinteX Limited ("ApcinteX");
2. Capella Bioscience Limited ("Capella");
3. Inexia Limited ("Inexia");
4. Janpix Limited ("Janpix");
5. LockBody Therapeutics Ltd ("LockBody");
6. Centessa Pharmaceuticals (Morphogen-IX) Limited ("Morphogen-IX");
7. Centessa Pharmaceuticals (Orexia) Limited ("Orexia"); and
8. Z Factor Limited ("Z Factor").

Contingent Value Rights

In connection with our acquisition of the Palladio Biosciences, Inc. (Palladio) in January 2021, we issued contingent value rights (CVRs), to former shareholders and option holders of Palladio, payable in the form of our ordinary shares, upon the achievement of a specific clinical development milestone by Palladio. In total, the CVRs represented the contractual rights to receive payment of \$39.7 million worth of ordinary shares (or ADSs), upon the dosing of the first patient in Palladio's ACTION study, a pivotal Phase 3 clinical trial of lixivaptan for the treatment of Autosomal Dominant Polycystic Kidney Disease ("ADPKD") in any of the United States, France, Germany, Italy, Spain, the United Kingdom and Japan. As former shareholders of Palladio, entities affiliated with Medicxi were eligible to receive up to an aggregate of approximately \$17.6 million (in ordinary shares, or ADSs) under this CVR arrangement.

On February 18, 2022, the Company commenced dosing in its Phase 3 clinical trial evaluating lixivaptan as a potential treatment for ADPKD. Such event was the milestone trigger for payment of CVRs. On March 8, 2022, the Company and the representative of the CVRs holders agreed that 3,938,423 represented the aggregate number of ordinary shares, issued as ADSs, to be issued in satisfaction of such CVRs, to the former shareholders and option holders of Palladio. The number of ADSs issued to employee recipients reflected in this figure is net of tax withholding, which the Company satisfied with cash payments to tax authorities. Entities affiliated with Medicxi received 1,839,265 ADSs in satisfaction of the CVRs.

Indemnification Agreements

We have entered into a deed of indemnity with those executive officers who are not directors. These agreements and our articles of association require us to indemnify our executive officers against certain liabilities and expenses incurred by such persons in connection with claims made by reason of their being such an executive officer to the fullest extent permitted by law.

In addition, pursuant to the acquisition by certain individuals associated with Medicxi of ordinary shares in Centessa Pharmaceuticals plc (f/k/a Centessa Pharmaceuticals Limited) in November 2020, Medicxi Ventures (UK) LLP entered into a deed of indemnity with Centessa, under the terms of which Medicxi Ventures (UK) LLP will indemnify Centessa against certain potential liabilities for employment-related tax that may arise as a result of or in connection with the acquisitions by any such individuals.

In addition, we have previously entered into deeds of indemnity with our directors. These agreements will, among other things, indemnify our directors against certain liabilities and expenses incurred by such persons in connection with claims made by reason of their being such a director to the fullest extent permitted by law.

Registration Rights

On January 29, 2021, we entered into a Registration Rights Agreement, as amended to date, which we refer to as our registration rights agreement, with certain holders of our outstanding convertible preferred shares and our ordinary shares, including entities with which certain of our directors are affiliated. Pursuant to the registration rights agreement, certain holders of our ordinary shares issued upon the conversion of our convertible preferred shares and all ordinary shares held by the entities affiliated with Medicxi and the entities affiliated with Index Ventures (the "Registrable Securities") are entitled to rights with respect to the registration of these securities under the Securities Act of 1933, as amended (the "Securities Act"). The registration rights agreement includes demand registration rights, short-form registration rights and piggyback registration rights.

Demand Registration Rights

Beginning on November 23, 2021, the holders of a majority of the Registrable Securities then outstanding are entitled to demand registration rights. Under the terms of the registration rights agreement, we will be required, upon the written request of holders of a majority of these securities to file a registration statement, with respect to at least 40% of the Registrable Securities then outstanding (or a lesser percentage, if the anticipated aggregate offering price would exceed \$10.0 million) and use best efforts to effect the registration of all or a portion of these shares for public resale. We are required to effect only two registrations pursuant to this provision of the registration rights agreement.

Short-Form Registration Rights

Pursuant to the registration rights agreement, if we are eligible to file a registration statement on Form F-3 or Form S3, upon the written request of holders of at least 10% of the Registrable Securities then outstanding having an anticipated aggregate offering price of at least \$4.0 million, we will be required to effect a registration of such Registrable Securities. We are required to effect only two registrations in any twelve month period pursuant to this provision of the registration rights agreement. The right to have such shares registered on Form F-3 or Form S-3 is further subject to other specified conditions and limitations.

Piggyback Registration Rights

Pursuant to the registration rights agreement, if we register any of our securities either for our own account or for the account of other security holders, other than in connection with our initial public offering or a registration for any employee benefit plan, corporate reorganization, or the offer or sale of debt securities, the holders of the Registrable Securities (for so long as they are a party to the registration rights agreement) are entitled to include their shares in the registration. Subject to certain exceptions contained in the registration rights agreement, we and the underwriters may limit the number of Registrable Securities included in the underwritten offering to the number of shares which we and the underwriters determine in our sole discretion will not jeopardize the success of the offering.

Indemnification

Our registration rights agreement contains customary cross-indemnification provisions, under which we are obligated to indemnify holders of registrable securities in the event of material misstatements or omissions in the registration statement attributable to us, and they are obligated to indemnify us for material misstatements or omissions attributable to them.

Expiration of Registration Rights

The registration rights granted under the registration rights agreement will terminate on the earlier of (i) June 2, 2025, which is the fourth anniversary of the completion of the initial public offering, (ii) such time as all relevant ordinary shares may be sold pursuant to Rule 144 without limitation during a 90 day period without registration and (iii) the closing of a share sale.

Related Person Transaction Policy

We have adopted a written related party transactions policy that such transactions must be approved by our Audit Committee. Pursuant to this policy, the Audit Committee has the primary responsibility for reviewing and approving or disapproving “related person transactions,” which are transactions between us and related persons in which the related person has a direct or indirect material interest. For purposes of this policy, a related person will be defined as a director, executive officer, nominee for director, or greater than 5% beneficial owner of any class of our voting securities, and their immediate family members.

DIRECTOR COMPENSATION

In connection with our initial public offering, our Board of Directors adopted a non-employee director compensation policy. The policy is designed to enable us to attract and retain, on a long-term basis, highly qualified non-employee directors. Under the policy, each director who is not an employee will be paid cash compensation from and after the completion of our initial public offering, as set forth below:

	Annual Retainer
Board of Directors:	
Members	\$ 40,000
Additional retainer for non-executive chair	\$ 30,000
Audit Committee:	
Members (other than chair)	\$ 10,000
Retainer for chair	\$ 20,000
Compensation Committee:	
Members (other than chair)	\$ 7,500
Retainer for chair	\$ 15,000
Nominating and Corporate Governance Committee:	
Members (other than chair)	\$ 5,000
Retainer for chair	\$ 10,000

In addition, the non-employee director compensation policy approved at the time of the initial public offering provided that, upon initial election to our Board of Directors, each non-employee director will be granted an option to purchase such number of ordinary shares equal to \$900,000 in fair value on the date of grant using a Black-Scholes option pricing model, or the Initial Grant. The Initial Grant will vest in 36 equal monthly installments over three years from the grant date, subject to continued service as a director through the applicable vesting date. Furthermore, the non-employee director compensation policy approved at the time of the initial public offering provided that, on the date of each annual meeting of shareholders following the completion of our initial public offering, each non-employee director who continues as a non-employee director following such meeting will be granted an option to purchase such number of ordinary shares equal to \$523,000 in fair value on the date of grant using a Black-Scholes option pricing model, or the Annual Grant. The Annual Grant will vest in full on the earlier of (i) the first anniversary of the grant date or (ii) our next annual meeting of shareholders, subject to continued service as a director through the applicable vesting date. Such awards are subject to full accelerated vesting upon the sale of the company. The Board of Directors has since revised the amount of the non-employee director Initial Grant and Annual Grant such that, effective 19 May 2022, upon initial election to our Board of Directors, each non-employee director will be granted an option to purchase 96,000 ordinary shares and on the date of each annual meeting of shareholders following the completion of our initial public offering, each non-employee director who continues as a non-employee director following such meeting will be granted an option to purchase 48,000 ordinary shares.

The grant date fair value of all equity awards and all other cash compensation paid by us to any non-employee director in any calendar year for services as a non-employee director shall not exceed \$1,000,000 in the first year and \$750,000 each year thereafter.

We will reimburse all reasonable out-of-pocket expenses incurred by non-employee directors in attending meetings of the board of directors and committees thereof.

The Incentive Plan provides for bonus payments based upon the attainment of performance objectives established by the Compensation Committee and related to individual and financial and operational metrics with respect to the Company or any of its subsidiaries. In 2022, our board of directors considered certain goals in determining annual bonuses, including: advancement of individual program development goals, establishment of high performance teams, infrastructure and corporate governance framework and achievement of financial budget goals. For the fiscal year ended December 31, 2022, the target annual bonuses for Dr. Saha, Dr. Weinhoff and Dr. Chao were 55%, 40% and 40%, respectively, of the applicable named executive officer's annual base salary.

For the fiscal year ended December 31, 2022, the Compensation Committee, at their discretion, determined that bonuses would be paid at 95% of target based on NEOs' performance and achievement of objectives.

Equity Compensation

We have generally granted stock options to our employees, including our named executive officers, in connection with their initial employment with us. Prior to our initial public offering in June 2021, we also granted certain employees shares of restricted stock. In 2022, we issued restricted stock unit awards as a retention grant to incentivize and encourage retention of certain officers and employees. Since June 2021, our equity award grant policy also contemplates the grant of stock options to existing employees, including our named executive officers, in connection with annual performance grants. During the fiscal year ended December 31, 2022, we granted restricted stock units and stock option awards to Drs. Saha, Weinhoff and Chao, as described in more detail in the "Outstanding Equity Awards at Fiscal 2022 Year-End" table.

Perquisites or Personal Benefits

Perquisites or other personal benefits are not a significant component of our executive compensation program. Accordingly, we do not provide significant perquisites or other personal benefits to our executive officers, including our named executive officers.

401(k) Plan

We maintain a tax-qualified retirement plan (the 401(k) Plan) that provides eligible U.S. employees with an opportunity to save for retirement on a tax-advantaged basis. Plan participants are able to defer eligible compensation subject to applicable annual Internal Revenue Code limits. We provide matching contributions under the 401(k) Plan up to the IRS limits. In 2022, we provided a matching contribution of 4% of compensation to plan participants. The 401(k) Plan is intended to be qualified under Section 401(a) of the Internal Revenue Code with the 401(k) Plan's related trust intended to be tax exempt under Section 501(a) of the Internal Revenue Code. As a tax-qualified retirement plan, contributions to the 401(k) Plan and earnings on those contributions are not taxable to the employees until distributed from the 401(k) Plan.

Executive Employment Arrangements

We have entered into an offer letter with each of the named executive officers in connection with the commencement of their employment with us, which set forth the terms and conditions of their employment. Each named executive officer has also entered into our standard proprietary information and inventions agreement.

Dr. Saurabh Saha, M.D., Ph.D. On November 19, 2020 (as amended on December 2, 2020), we entered into an offer letter with Dr. Saha, or the Saha Offer Letter, our Chief Executive Officer. Pursuant to the Saha Offer Letter, in the event of a change in control (as such term is defined in the Saha Offer Letter) and provided Dr. Saha remained in continued service through the date of such change in control, one hundred percent (100%) of the unvested portion of all of his time-based vesting equity grants would immediately vest.

Pursuant to the Saha Offer Letter, in the event Dr. Saha's employment was terminated by us without cause or Dr. Saha resigned for good reason, each a Qualifying Termination, subject to the execution and effectiveness of a general release of claims, he would be entitled to receive (i) 12 months of base salary, (ii) payment of the employer portion of COBRA premiums until the earliest of (A) the first anniversary of his date of termination, (B) the expiration of his eligibility for the continuation coverage under COBRA or (C) the date when he becomes eligible for substantially equivalent health insurance coverage in connection with new employment, and (iii) if such Qualifying Termination occurred within the fifteen-month period following his start date, or the Initial Service Period, the unvested portion of the equity award contemplated in the Saha Offer Letter as of the date of such Qualifying Termination Award that would have vested had he been in continuous service through the last day of the Initial Service Period would immediately vest.

On March 29, 2022, we entered into an employment agreement with Dr. Saha (the "Saha Employment Agreement") to amend and restate the Saha Offer Letter, effective March 30, 2022. Dr. Saha's current base salary is \$652,050 and he is eligible to earn a target annual bonus of fifty-five percent (55%) of his base salary. He is also eligible to participate in the employee benefit plans available to

our full-time U.S. employees, subject to terms of those plans. The Saha Employment Agreement provides that if we terminate Dr. Saha's employment outside of the one year period following a sale event (as defined in the Centessa Pharmaceuticals plc 2021 Stock Option and Incentive Plan, or the 2021 Plan) without cause, or Dr. Saha resigns for good reason (as such terms are defined in the Saha Employment Agreement), Dr. Saha will receive the following: (i) 12 months' salary continuation; and (ii) payment of the employer portion of COBRA premiums until the earliest of (A) the first anniversary of his date of termination, (B) the expiration of his eligibility for the continuation coverage under COBRA or (C) the date when he becomes eligible for substantially equivalent health insurance coverage in connection with new employment. The Saha Employment Agreement further provides that if Dr. Saha's employment is terminated by us other than for cause, or by Dr. Saha for good reason within the one year period following a sale event, Dr. Saha will receive the following: (i) a lump sum payment equal to the sum of (A) 18 months of his then-current base salary and (B) 150% of his target bonus for the year of termination; (ii) 100% acceleration of equity awards granted on or after February 1, 2022 that are subject solely to time-based vesting (awards granted prior to February 1, 2022 will continue in accordance with their terms and any such awards subject to time-based vesting conditions shall fully accelerate upon a sale of the Company); and (iii) payment of the employer portion of COBRA premiums until the earliest of (A) the 18-month anniversary of his date of termination, (B) the expiration of his eligibility for the continuation coverage under COBRA or (C) the date when he becomes eligible for substantially equivalent health insurance coverage in connection with new employment. In addition, the Saha Employment Agreement provides that if any payments or benefits received by Dr. Saha or otherwise would constitute "parachute payments" within the meaning of Section 280G of the Code and be subject to excise taxes imposed by Section 4999 of the Code, such amount will either be delivered in full or reduced so as not to be subject to excise taxation, whichever amount is higher.

Dr. Gregory Weinhoff, M.D., M.B.A. On February 27, 2021, we entered into an offer letter with Dr. Weinhoff, or the Weinhoff Offer Letter, our Chief Financial Officer. Pursuant to the Weinhoff Offer Letter, in the event of a change in control (as such term is defined in the Weinhoff Offer Letter) and provided Dr. Weinhoff had remained in continued service through the date of such change in control, one hundred percent (100%) of the unvested portion of all of his equity grants would immediately vest.

Pursuant to the Weinhoff Offer Letter, in the event Dr. Weinhoff's employment was terminated by us without cause or Dr. Weinhoff resigned for good reason, each a Qualifying Termination, subject to the execution and effectiveness of a general release of claims, he would be entitled to receive (i) 12 months of base salary, and (ii) payment of the employer portion of COBRA premiums until the earliest of (A) the first anniversary of his date of termination, (B) the expiration of his eligibility for the continuation coverage under COBRA or (C) the date when he becomes eligible for substantially equivalent health insurance coverage in connection with new employment.

On March 29, 2022, we entered into an employment agreement with Dr. Weinhoff (the "Weinhoff Employment Agreement") to amend and restate the Weinhoff Offer Letter, effective March 30, 2022, pursuant to which Dr. Weinhoff's current base salary is \$486,800 and he is eligible to earn a target annual bonus of forty percent (40%) of his base salary. He is also eligible to participate in the employee benefit plans available to our full-time U.S. employees, subject to the terms of those plans. The Weinhoff Employment Agreement provides that if we terminate Dr. Weinhoff's employment outside of the one year period following a sale event without cause, or Dr. Weinhoff resigns for good reason (as such terms are defined in the Weinhoff Employment Agreement), Dr. Weinhoff will receive the following: (i) 12 months' salary continuation; and (ii) payment of the employer portion of COBRA premiums until the earliest of (A) the first anniversary of his date of termination, (B) the expiration of his eligibility for the continuation coverage under COBRA or (C) the date when he becomes eligible for substantially equivalent health insurance coverage in connection with new employment. The Weinhoff Employment Agreement further provides that if Dr. Weinhoff's employment is terminated by us without cause or by Dr. Weinhoff for good reason within the one year period following a sale event, Dr. Weinhoff will receive the following: (i) a lump sum payment equal to the sum of (A) 12 months of his then-current base salary and (B) 100% of his target bonus for the year of termination; (ii) 100% acceleration of equity awards granted on or after February 1, 2022 that are subject solely to time-based vesting (awards granted prior to February 1, 2022 will continue in accordance with their terms and any such awards subject to time-based vesting conditions shall fully accelerate upon a sale of the Company); and (iii) payment of the employer portion of COBRA premiums until the earliest of (A) the 12-month anniversary of his date of termination, (B) the expiration of his eligibility for the continuation coverage under COBRA or (C) the date when he becomes eligible for substantially equivalent health insurance coverage in connection with new employment. In addition, the Weinhoff Employment Agreement provides that if any payments or benefits received by Dr. Weinhoff or otherwise would constitute "parachute payments" within the meaning of Section 280G of the Code and be subject to excise taxes imposed by Section 4999 of the Code, such amount will either be delivered in full or reduced so as not to be subject to excise taxation, whichever amount is higher.

Dr. David Chao, Ph.D. On April 14, 2021, we entered into an offer letter with Dr. Chao, or the Chao Offer Letter, our Chief Administrative Officer. In the event of a change in control (as such term is defined in the Chao Offer Letter) and provided Dr. Chao has remained in continued service through the date of such change in control, one hundred percent (100%) of the unvested portion of all of his equity grants would immediately vest. In addition, subject to Dr. Chao remaining an employee of the Company for a minimum period of five (5) years from his start date, upon his retirement after such period, he would be entitled to retain any and all options granted to him and such options would continue to vest over the remaining vesting period; provided Dr. Chao (i) continues to be an advisor to the Company, the

CEO and to the board of directors during such period, (ii) complies with the terms of his restrictive covenants, and (ii) does not undertake any engagement with any entity that is a competitor to the business of the Company and its affiliates until the end of such vesting period.

Pursuant to the Chao Offer Letter, in the event Dr. Chao's employment was terminated by us without cause or Dr. Chao resigns for good reason, each a Qualifying Termination, subject to the execution and effectiveness of a general release of claims, he would be entitled to receive (i) 12 months of base salary, and (ii) payment of the employer portion of COBRA premiums until the earliest of (A) the first anniversary of his date of termination, (B) the expiration of his eligibility for the continuation coverage under COBRA or (C) the date when he becomes eligible for substantially equivalent health insurance coverage in connection with new employment.

On March 30, 2022, we entered into an employment agreement with Dr. Chao (the "Chao Employment Agreement") to amend and restate the Chao Offer Letter, effective March 30, 2022. Dr. Chao's current salary is \$493,700 and he is eligible to earn a target annual bonus of forty percent (40%) of his base salary. He is also eligible to participate in the employee benefit plans available to our full-time U.S. employees, subject to the terms of those plans. The Chao Employment Agreement provides that if we terminate Dr. Chao's employment outside of the one year period following a sale event without cause, or if Dr. Chao resigns for good reason, Dr. Chao will receive the following: (i) 12 months' salary continuation; and (ii) payment of the employer portion of COBRA premiums until the earliest of (A) the first anniversary of his date of termination, (B) the expiration of his eligibility for the continuation coverage under COBRA or (C) the date when he becomes eligible for substantially equivalent health insurance coverage in connection with new employment. The Chao Employment Agreement provides that if Dr. Chao's employment is terminated by us without cause, or by Dr. Chao for good reason within the one year period following a sale event, Dr. Chao will receive the following: (i) a lump sum payment equal to the sum of (A) 12 months of his base salary and (B) 100% of his target bonus; (ii) 100% acceleration of equity awards granted on or after February 1, 2022 that are subject solely to time-based vesting (awards granted prior to February 1, 2022 will continue in accordance with their terms); and (iii) payment of the employer portion of COBRA premiums until the earliest of (A) the 12-month anniversary of his date of termination, (B) the expiration of his eligibility for the continuation coverage under COBRA or (C) the date when he becomes eligible for substantially equivalent health insurance coverage in connection with new employment.. The Chao Employment Agreement also contains the same Vesting of Equity Post-Retirement Provision as his prior offer letter. In addition, the Chao Employment Agreement provides that if any payments or benefits received by Dr. Chao or otherwise would constitute "parachute payments" within the meaning of Section 280G of the Code and be subject to excise taxes imposed by Section 4999 of the Code, such amount will either be delivered in full or reduced so as not to be subject to excise taxation, whichever amount is higher.

Executive Severance Plan

In June 2021, our board of directors adopted an Executive Severance Plan, or the Severance Plan, in which our named executive officers, and certain other executives, participated. The severance terms outlined in the employment agreements entered into with Dr. Saha, Dr. Weinhoff and Dr. Chao in March 2022 supersede the terms outlined in the Severance Plan for these named executive officers as of the effective date of such employment agreements (as further described above).

The Severance Plan provides that upon a termination by us for any reason other than for "cause," as defined in the Severance Plan, death or "disability," as defined in the Severance Plan, or resignation for "good reason", as defined in the Severance Plan, in each case outside of the change in control period (i.e., the period of one year after a "change in control," as defined in the Severance Plan), an eligible participant will be entitled to receive, subject to the execution and delivery of an effective release of claims in favor of the Company and continued compliance with all applicable restrictive covenants, (i) 12 months of "base salary" (i.e., the higher of the annual base salary in effect immediately prior to the date of termination or the annual base salary in effect for the year immediately prior to the year in which the date of termination occurs) for our Chief Executive Officer, 9 months for Tier 2 officers (which is determined by the plan administrator and includes the named executive officers other than the Chief Executive Officer) and 6 months for Tier 3 officers (which is determined by the plan administrator) and (ii) an amount equal to the monthly employer contribution, based on the premiums as of the date of termination, that we would have made to provide health insurance for the named executive officer if he had remained employed by us for up to 12 months for our Chief Executive Officer, 9 months for Tier 2 officers and 6 months for Tier 3 officers. The payments under (i) and (ii) will be paid in substantially equal installments in accordance with our payroll practice over 12 months for our Chief Executive Officer, 9 months for Tier 2 officers and 6 months for Tier 3 officers.

The Severance Plan also provides that upon a (A) termination by us other than for cause, death or disability or (B) resignation for good reason, in each case within the change in control period, an eligible participant will be entitled to receive, in lieu of the payments and benefits above and subject to the execution and delivery of an effective release of claims in favor of the Company and continued compliance with all applicable restrictive covenants, (I) a lump sum amount equal to 150% of the base salary and 150% of the target annual bonus in effect immediately prior to the date of termination (or immediately prior to the change in control, if higher) for our Chief Executive Officer, 100% of the base salary and 100% of the target annual bonus in effect immediately prior to the date of termination (or immediately prior to the change in control, if higher) for our Tier 2 officers and 75% of the base salary for our Tier 3 officers, (II) a lump sum amount equal to the eligible participant's annual target bonus in effect immediately prior to such termination, pro-rated for the number of days of service provided by the participant during the year of the termination, (III) a lump sum amount equal to the monthly employer contribution, based on the premiums as of the date of termination, that we would have made to provide health insurance for

the participant if the applicable named executive officer had remained employed by us for 18 months for our Chief Executive Officer, 12 months for our Tier 2 officers and 9 months for our Tier 3 officers, and (IV) for all outstanding and unvested equity awards of the Company that are subject to time-based vesting held by the participant, full accelerated vesting of such awards; provided, that the performance conditions applicable to any outstanding and unvested equity awards subject to performance-based vesting will be deemed satisfied at the target level specified in the terms of the applicable award agreement.

The payments and benefits provided under the Severance Plan in connection with a change in control may not be eligible for a federal income tax deduction by us pursuant to Section 280G of the Code. These payments and benefits may also subject an eligible participant, including the named executive officers, to an excise tax under Section 4999 of the Code. If the payments or benefits payable in connection with a change in control would be subject to the excise tax imposed under Section 4999 of the Code, then those payments or benefits will be reduced if such reduction would result in a higher net after-tax benefit to the participant.

Compensation Risk Assessment

We believe that although a portion of the compensation provided to our executive officers and other employees is performance-based, our executive compensation program does not encourage excessive or unnecessary risk taking. This is primarily due to the fact that our compensation programs are designed to encourage our executive officers and other employees to remain focused on both short-term and long-term strategic goals, in particular in connection with our pay-for-performance compensation philosophy. As a result, we do not believe that our compensation programs are reasonably likely to have a material adverse effect on us.

AUDIT COMMITTEE REPORT

The Audit Committee oversees the accounting and financial reporting processes of Centessa Pharmaceuticals plc (the “Company”) and the audits of the Company’s financial statements, evaluates auditor performance, manages relations with the Company’s independent registered public accounting firm and evaluates policies and procedures relating to internal control systems. The Audit Committee operates under a written Audit Committee charter that has been adopted by the Board of Directors of the Company (the “Board”). All members of the Audit Committee currently meet the independence and qualification standards for Audit Committee membership set forth in the listing standards provided by Nasdaq and the U.S. Securities and Exchange Commission (“SEC”), and the Board has determined that Carol Stuckley, M.B.A. is an “audit committee financial expert,” as the SEC has defined that term in Item 407 of Regulation S-K.

The Audit Committee members are not professional accountants or auditors. The members’ functions are not intended to duplicate or to certify the activities of management and the independent registered public accounting firm. The Audit Committee serves a board-level oversight role in which it provides advice, counsel and direction to management and the auditors on the basis of the information it receives, discussions with management and the auditors, and the experience of the Audit Committee’s members in business, financial and accounting matters.

The Audit Committee oversees the Company’s financial reporting process on behalf of the Board. The Company’s management has the primary responsibility for the financial statements and reporting process, including the Company’s system of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed with management the audited financial statements included in the Annual Report on Form 10-K for the financial year ended December 31, 2022. This review included a discussion of the quality and the acceptability of the Company’s financial reporting, including the nature and extent of disclosures in the financial statements and the accompanying notes. The Audit Committee also reviewed the Company’s progress in mitigating the material weaknesses in internal controls over financial reporting identified and disclosed in the Company’s final prospectus for our initial public offering dated June 2, 2021 and in our 10-Qs, which were remediated as of December 31, 2021.

The Audit Committee also reviewed with KPMG LLP (“KPMG US”) , our independent registered public accounting firm, which is responsible for expressing an opinion on the conformity of the audited financial statements with accounting principles generally accepted in the United States of America, their judgments as to the quality and the acceptability of the Company’s financial reporting and such other matters as are required to be discussed with the Committee by Public Company Accounting Oversight Board (“PCAOB”) Auditing Standard No. 1301, *Communications with Audit Committees*, and SEC Regulation S-X Rule 207, *Communication with Audit Committees*.

The Audit Committee has received the written disclosures and the letter from KPMG US required by the applicable requirements of the PCAOB regarding communications with the audit committee concerning independence. The Audit Committee has discussed with KPMG US its independence from management and the Company.

In addition to the matters specified above, the Audit Committee discussed with KPMG US the overall scope, plans and estimated costs of their audit. The Committee met with KPMG US periodically, with and without management present, to discuss the results of KPMG US’s examinations, the overall quality of the Company’s financial reporting and KPMG US’s reviews of the quarterly financial statements, and drafts of the quarterly and annual reports.

In reliance on the reviews and discussions referred to above, and subject to the limitations of the Audit Committee’s role and responsibilities referred to above and in the Audit Committee charter, the Audit Committee recommended to the Board that the Company’s audited financial statements should be included in the Company’s Annual Report on Form 10-K for the financial year ended December 31, 2022.

Shareholders' Rights to Call a General Meeting

Our shareholders have the right to call a meeting of our shareholders. The U.K. Companies Act 2006 generally requires the directors to call a general meeting once we have received requests to do so from shareholders representing at least 5% of our paid-up shares entitled to vote at a general meeting. The U.K. Companies Act 2006 generally prohibits shareholders of a U.K. public limited company from passing written resolutions. However, significant shareholders would, in any case, still have the power to call a general meeting and propose resolutions. These provisions are mandatory under the U.K. Companies Act 2006 and cannot be waived by our shareholders.

Shareholder Proposals for 2024 Annual General Meeting

Pursuant to Rule 14a-8 under the Exchange Act, in order to be considered for inclusion in our proxy statement for our 2024 annual general meeting of shareholders, shareholder proposals must be received by the Company at the Office of the Company Secretary, 3rd Floor, 1 Ashley Road, Altrincham, Cheshire WA14 2DT, United Kingdom no later than 120 days before the anniversary of the date on which we sent our proxy materials for the AGM, or January 11, 2024. However, if the date of such annual general meeting is more than 30 calendar days from the date of the anniversary of the AGM, then the notice must be received by our Company Secretary a reasonable time before we begin to print and send our proxy materials.

If a shareholder wishes to present a proposal at an annual general meeting but does not wish to have the proposal considered for inclusion in our proxy statement and proxy card, such shareholder proposal must be received by the Company at the Office of the Company Secretary, 3rd Floor, 1 Ashley Road, Altrincham, Cheshire WA14 2DT, United Kingdom no later than 45 days before the anniversary of the date on which the Company first mailed its proxy materials for the prior year's annual general meeting, or no later than March 26, 2024. To comply with the universal proxy rules (once effective), shareholders who intend to solicit proxies in support of director nominees other than the Company's nominees must provide notice that sets forth the information required by Rule 14a-19 under the Securities Exchange Act of 1934, as amended, no later than April 23, 2024. However, if the date of the annual general meeting is changed by more than 30 calendar days from the date of the anniversary of the prior year's annual general meeting, the notice must be received by our Company Secretary within a reasonable time before we begin to print and send our proxy materials with respect to such annual general meeting. If a shareholder does not timely provide notice as described above, proxies solicited on behalf of our management for such annual general meeting will confer discretionary authority to vote with respect to any such matter, as permitted by the proxy rules of the SEC.

Under section 338 of the U.K. Companies Act 2006, shareholders representing at least 5% of holders entitled to vote on a resolution at an annual general meeting may require the Company to include such resolution in its notice of an annual general meeting. Provided the applicable thresholds are met, notice of the resolution must be received by the Company at the Office of the Company Secretary, 3rd Floor, 1 Ashley Road, Altrincham, Cheshire WA14 2DT, United Kingdom at least six weeks prior to the date of the annual general meeting, or, if later, at the time notice of the annual general meeting is delivered to shareholders.

Shareholder Rights

Under section 527 of the U.K. Companies Act 2006, members meeting the threshold requirement set out in that section have the right to require us to publish on a website a statement setting out any matter relating to: (i) the audit of our accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstance connected with our auditor ceasing to hold office since the previous meeting at which annual accounts or reports were laid in accordance with section 437 of the U.K. Companies Act 2006. We may not require the shareholders requesting any such website publication to pay our expenses in complying with sections 527 or 528 of the U.K. Companies Act 2006. Where we are required to place a statement on a website under section 527 of the U.K. Companies Act 2006, we must forward the statement to our auditor not later than the time when we make the statement available on the website. The business which must be dealt with at the AGM includes any statement that we have been required, under section 527 of the U.K. Companies Act 2006, to publish on a website.

Householding

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy materials with respect to two or more shareholders sharing the same address by delivering a single set of proxy materials addressed to those shareholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for shareholders and cost savings for companies.

This year, a number of brokers with account holders who are our shareholders will be “householding” the proxy materials. A single set of proxy materials will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate set of proxy materials, please notify your broker or us. Direct your written request to Centessa Pharmaceuticals plc, 3rd Floor, 1 Ashley Road, Altrincham, Cheshire, WA14 2DT, United Kingdom, Attn: Iqbal Hussain, Company Secretary. Shareholders who currently receive multiple copies of the proxy materials at their addresses and would like to request “householding” of their communications should contact their brokers.

DIRECTORS' REMUNERATION REPORT

CENTESSA PHARMACEUTICALS PLC DIRECTORS' REMUNERATION REPORT FOR THE PERIOD ENDED 31 DECEMBER 2022

ANNUAL STATEMENT FROM THE CHAIR OF THE COMPENSATION COMMITTEE

Dear Shareholder,

As the Chair of the Compensation Committee (the "**Committee**"), I am pleased to present, on behalf of the board of directors (the "**Board**") of Centessa Pharmaceuticals PLC (the "**Company**" or "**Centessa**"), the Directors' Remuneration Report for the period ended 31 December 2022 (the "**Remuneration Report**").

The Company's Remuneration Report will be subject to an advisory vote at the forthcoming Annual General Meeting on 22 June 2023 (the "**AGM**").

Introduction

In 2022, the Company made a number of impactful strategic decisions that resulted in a number of Company programs, including its leading Phase 3 program, lixivaptan for which the Company had been conducting a registration trial in Autosomal Dominant Polycystic Kidney Disease (ADPKD), and its Phase 1 program in Alpha-1 Antitrypsin Deficiency (AATD) with, ZF874, being terminated and others accelerated. This resulted in a number of employees being terminated or redeployed depending on transferability of skills and needs within other Company programs. At the same time, the Company continued to hire in strategic positions to fill identified skill gaps including the Company's Chief People Officer and a number of senior employees at the SVP level. During this period, besides attracting key talent, it was critical for the Company to be able to retain, appropriately incentivize and develop high caliber talent. In order to enable the Company to achieve this, we continued to evaluate and established a broad range of remuneration programs and policies designed to attract, incentivize and retain a high calibre team to enable the Company to deliver on the Company's core objectives and deliver value to shareholders.

As we move into 2023 and beyond, the Committee's role will continue to be to ensure that directors and senior executives are appropriately compensated and incentivised to deliver value in a long-term and sustainable manner to shareholders. The Committee will seek to accomplish this by ensuring remuneration programs are grounded in market practice, appropriately balance fixed and variable components of remuneration, are effective at driving proper executive behaviours, and clearly link pay and performance. Key considerations guiding our Remuneration Policy are discussed further on within the Directors' Remuneration Report.

Pay for Performance

We continue to believe that a significant portion of remuneration of our Executive Directors should be based on achieving objectives designed to create inherent value in the Company, and ultimately on achieving value creation for our shareholders. In line with this belief, the compensation of our Executive Director includes both short and long-term incentives based on strategic goals. On the same basis, our Non-Executive Directors receive equity incentives designed to reward long-term value creation for our shareholders.

The Global Marketplace for Talent

Centessa is a global clinical-stage pharmaceutical company with operations in the United States ("**US**") and Europe. Given that our Chief Executive Officer ("**CEO**") (currently our sole Executive Director) and most Non-Executive Directors continue to be US-based and that the market for experienced directors and pharmaceutical executive talent, particularly in the US, is very competitive, the Committee references the US market as the leading indicator for remuneration levels and practices. Doing so will help attract and retain directors and motivate the superior executive talent needed to successfully manage the Company's complex global operations. Being consistent in this market view of the US as the primary benchmark for remuneration practices for our Executive and Non-Executive Directors is key for the Company as it builds its global operations in a manner designed to deliver sustainable long-term shareholder value.

It can be difficult for Centessa, as a global company with operations in various global regions, to have remuneration arrangements that satisfy all local requirements and market demands. As the Company is a UK public limited company, in taking any actions, the Committee is mindful of the general UK compensation framework, including investor bodies' guidance, and the UK Corporate Governance Code, and has considered these when determining the remuneration programs and policies where it believes they best serve the long-term interests of shareholders.

Remuneration Program Highlights

During the period, we undertook a number of activities to establish a broad range of remuneration programs and policies to appropriately position the Company as a global pharmaceutical company, including:

- Awarded the Executive Director and Non-Executive Directors, and other employees and certain key consultants market value share options under the equity incentive plan;
- Awarded the Executive Director and certain other key employees retention grants under the equity incentive plan in the form of restricted stock units;
- Considered, reviewed and approved the objectives for the annual bonus for the financial period; and
- Assessed performance for the financial period and recommended to the Board the level of bonus to be paid to the Executive Director, as discussed below.

2022 Bonus Outcome

The CEO was eligible to receive a target bonus of 55% of his salary for 2022. In 2022, the goals for the CEO's annual bonus included: advancement of individual clinical program development goals, advancement of preclinical programs, people and culture goals and certain finance goals. The Committee, at its discretion, awarded a bonus payout at 95% of target based on performance and achievement of objectives. The Committee is satisfied that the overall bonus outcome is appropriate.

Conclusion

The Committee believes the proposals put forth in this report will properly motivate our directors to deliver sustainable shareholder value over the long-term and do so in a responsible manner.

I hope that you find the information in this report helpful and I look forward to your support at the Company's AGM.

Yours sincerely,

Brett Zbar
Chair of the Compensation Committee

DIRECTORS' REMUNERATION POLICY

This part of the Directors' Remuneration Report sets out the Company's Directors' Remuneration Policy (the "**Policy**") and has been prepared in accordance with the Large and Medium-sized Companies and Groups (Accounts and Reports) (Amendment) Regulations 2013, the Companies (Miscellaneous Reporting) Regulations 2018, and the Companies Directors' Remuneration Policy and Directors' Remuneration Report) Regulations 2019. The Policy was approved by shareholders in a binding vote at the Company's annual general meeting on 30 June 2022. The Policy applies for a maximum period of three years (or until a revised policy is approved by shareholders).

KEY CONSIDERATIONS WHEN DETERMINING THE POLICY

The Committee designed the Policy with a number of specific objectives in mind. The Policy should serve to:

- ensure the attraction and retention of key management personnel;
- ensure the motivation of management to achieve the Company's corporate goals and strategies;
- be competitive against appropriate market benchmarks (being predominantly the US biotech sector) and have a strong link to performance, providing the ability to earn above-market rewards for strong performance;
- create a corporate culture that promotes high levels of integrity, teamwork and ethics;
- promote the adoption of good governance practice while mitigating against potential reputational or behavioural risks and avoiding overpaying for talent; and
- ensure the alignment of the interests of management with the long-term interests of the Company's shareholders.

In determining compensation policies and practices, the Committee follows a robust process taking into account the views of relevant stakeholders, whilst ensuring that any conflicts of interest are suitably managed. This was the first Policy to be subject to a vote by the Company's shareholders following the Company's initial public offering of ADSs on the NASDAQ Global Select Market in May 2021.

REMUNERATION POLICY TABLE

The table in the following pages sets out, for each element of pay, a summary of how remuneration is structured and how it serves the Company's strategy.

Policy for Executive Directors

Component	Purpose and link to strategy	Operation	Maximum opportunity	Performance measures
Salary	<p>Designed to attract and retain high-caliber talent to deliver the Company's strategy.</p> <p>Reflects the responsibilities of the role as well as the individual's skills, experience and performance.</p> <p>Designed to provide an appropriate level of fixed income to avoid any over-reliance on variable pay elements that could indirectly encourage excessive risk taking.</p>	<p>The Committee reviews salaries at appropriate intervals, normally annually, and makes recommendations to the Board. Changes approved by the Board are generally effective from 1 January each year.</p> <p>Salaries are set taking into account a number of factors including but not limited to:</p> <ul style="list-style-type: none"> • scope and responsibilities of the role; • salary increases awarded to the overall employee population; • skills and experience of the relevant individual; • individual and company performance; • market; • competitiveness assessed by periodic benchmarking; • general economic and market conditions; • changes in the size and complexity of the Company; and • the underlying rate of inflation. <p>To the extent that salary is set in USD but paid to a UK-based Executive Director, it will be converted and paid in GBP pursuant to the terms of the applicable service agreement (as amended and/or superseded from time to time).</p>	<p>There is no prescribed formulaic maximum salary or salary increase but any increases will take into account prevailing market and economic conditions and the approach to employee pay throughout the Company.</p> <p>In assessing base salaries, the Committee takes into account market data, but does not target a specific percentile when setting pay levels, rather considers it as one factor along with several others including those set out under the "Operation" column.</p> <p>Base salary increases for Executive Directors are awarded at the discretion of the Board upon the recommendations of the Committee; however, salary increases will normally be no greater than the general increase awarded to the wider workforce, in percentage of salary terms unless the salary is meaningfully below peers or below market salary.</p> <p>In addition, a higher increase may be made where an individual had been appointed to a new role at below- market salary while gaining experience. Subsequent demonstration of strong performance may result in a salary increase that is higher than that awarded to the wider workforce.</p>	<p>While no formal performance conditions apply, an individual's performance in their role is taken into account in determining any salary increase.</p>

Component	Purpose and link to strategy	Operation	Maximum opportunity	Performance measures

No deferral period applies to bonuses.</p>	<p>The maximum target bonus opportunity for Executive Directors is 75% of base salary, with a maximum bonus payout opportunity of up to two times the target opportunity.</p> <p>For the Chief Executive Officer, the annual performance bonus target is currently 55% of base salary.</p>	<p>Performance is normally measured over the financial year.</p> <p>Performance measures and targets, including the weighting of such measures, are determined by the Board each year (following recommendations from the Committee) taking into account the strategic priorities of the business and shareholder value.</p> <p>The annual performance bonus will typically be subject to corporate objectives, which may be operational, financial or strategic in nature and/or personal objectives.</p> <p>The Board has discretion to amend the formulaic bonus outcome (up or down) should it not reflect the Board's assessment of overall Company performance, taking into account factors it considers relevant. This will help ensure that payments reflect overall Company performance during the period.</p>

Component	Purpose and link to strategy	Operation	Maximum opportunity	Performance measures
Long-term Incentive Plan	Designed to incentivize the successful execution of the business strategy over the longer term and provide long-term retention. Facilitates share ownership to provide further alignment of the interests of Executive Directors with those of shareholders.	<p>Under the Amended and Restated 2021 Stock Option and Incentive Plan (the “Plan”), the Committee may grant equity-based (or cash-based) awards to the Executive Directors. Grants to Executive Directors require Board approval (following recommendations from the Committee).</p> <p>Awards may be granted in the form of restricted share units, options, share appreciation rights or other share-based awards. The Committee will determine the type of equity award, if any, to be granted to Executive Directors, which may include a combination of different awards.</p> <p>The Committee will determine the specific terms and conditions which govern that award, including:</p> <ul style="list-style-type: none"> • the vesting period • the exercise period (if relevant) • the exercise price (if relevant) • whether any performance conditions will apply and if so, the performance targets • any other conditions and restrictions as it may determine 	<p>There is no defined maximum opportunity under the Plans.</p> <p>However, the Committee will generally work within the benchmarking guidelines provided by its compensation consultants.</p>	<p>Awards are granted with an exercise price no less than the fair market value of the shares on the date of grant. Accordingly, such awards will only have value to the extent the Company’s share price increases following the date of grant.</p> <p>Performance conditions may apply to award vesting. The Committee may amend, relax or waive performance conditions if it considers that they have become unfair or impractical. This will help ensure that vesting reflects overall Company performance during the period.</p>

Share ownership guidelines	To promote Executive Directors share ownership and to align Executive Directors to the interests of shareholders during employment	<p>In respect of any option granted, the exercise period will not exceed ten years from the date of grant.</p> <p>Awards will typically be granted annually, although may also be granted more or less frequently.</p> <p>Awards to new joiners are typically subject to vesting over a four-year period, with 25% of the award vesting on the first anniversary of the grant, and the remainder vesting in 36 equal monthly instalments thereafter.</p> <p>Annual awards typically vest in equal monthly instalments over 48 months. The Committee has discretion to adopt different vesting terms.</p> <p>No deferral or holding period applies to the shares acquired on the exercise of awards.</p> <p>The Executive Directors will be required to build over a five-year period from appointment as an Executive Director and maintain a shareholding in the Company equivalent to 200% of base salary. Notes to the Policy Table

Legacy arrangements

For the duration of the Policy, the Company will honour any commitments made in respect of current or former directors before the date on which either: (a) the Policy becomes effective; or (b) an individual becomes a director, even when not consistent with the Policy set out in this report or prevailing at the time such commitment is fulfilled. For the avoidance of doubt, all outstanding historic equity awards that were granted in connection with, or prior to, listing on NASDAQ and/or under the Plans remain eligible to vest based on their original or modified terms.

Payments may be made in respect of existing awards under the Plans and the Committee may exercise any discretions available to it in connection with such awards in accordance with the rules of the Plans and relevant award documentation. Certain options granted under the Plans vest in full on a change of control in accordance with the terms of the grant agreements.

EXPLANATION OF PERFORMANCE MEASURES

The Committee determines performance measures that are appropriately challenging and linked to the delivery of the Company's core strategic objectives. For the annual performance bonus, the Committee reviews and sets performance measures and targets at the start of each year based on the key strategic priorities and objectives of the business at that time.

Measures may be based on a range of operational, financial and qualitative performance objectives for the particular financial year.

The targets for the bonus scheme for the forthcoming year will be set out in general terms, subject to limitations with regards to commercial sensitivity. The full details of the targets will be disclosed when they are in the public domain and are no longer considered commercially sensitive.

Stock option awards made to Directors do not currently carry performance conditions. It is considered that the exercise price of options (which is set at the fair market value on issuance), vesting and, where relevant, exercise period provides alignment to the long-term success of the business. The Committee may determine that performance conditions apply to future awards. If this were to be the case, performance conditions would be determined by the Committee to support the Company's long-term strategy and sustainable value creation.

The Committee may vary or substitute any performance measure if an event occurs which causes it to determine that it would be appropriate to do so (including to take account of acquisitions or divestments, a change in strategy or a change in prevailing market conditions), provided that any such variation or substitution is fair and reasonable and, in the opinion of the Committee, the change would not make the measure less demanding than the original measure would have been but for the event in question. If the Committee were to make such a variation, an explanation would be given in the next Directors' Remuneration Report.

MALUS AND CLAWBACK

Awards under the annual bonus and the Amended and Restated 2021 Stock Option and Incentive Plan made after the 2022 AGM are subject to malus and clawback provisions which permit the Committee, in its discretion, to reduce the size (including to zero) of any future bonus or share award granted to an Executive Director, to reduce the size (including to zero) of any granted but unvested share award. The circumstances in which the Company may apply the malus and clawback provisions are the discovery of a material misstatement of financial results, a miscalculation or error in assessing the performance condition applying to the award, or in the event of serious misconduct committed by the Executive Director.

In respect of cash bonus payments, the malus and clawback provisions apply for one year from the date of payment of the bonus (or, if later, the date of publication of the Company's financial results for the year following the relevant year over which the bonus was earned).

In respect of share awards under the Amended and Restated 2021 Stock Option and Incentive Plan, malus and clawback provisions apply up until the first anniversary of the date on which the relevant award vests, although the Committee may extend this period for a further two years if there is an ongoing investigation into the circumstances of any event that, if determined to have occurred, would permit the Committee to operate the malus and clawback provisions.

COMMITTEE DISCRETION

The Committee has discretion in several areas of the Policy to ensure the efficient administration of the policy. This includes with regards to the operation and administration of the incentive arrangements in which directors participate, including the award and payment of any annual performance bonus and the grant and associated terms and conditions of any equity awards. Use of any discretion in relation to equity awards will be in accordance with the terms of the relevant plan and subject to any relevant legislation.

The Committee's discretion applies to the following (amongst other matters):

- reviewing and recommending to the Board for approval the proposed compensation for the CEO and all other officers of the Company;
- selecting the individuals who will receive awards under the plans on an annual basis;
- determining the timing of grants of awards and/or payments;
- determining the quantum of awards and/or payments;
- determining the choice (and adjustment) of any performance measures and targets, vesting schedules, exercise prices (where applicable) and other award terms for each incentive plan;
- determining the extent of vesting, including for leavers;
- making the appropriate adjustments (including to any performance targets) required in certain circumstances, for instance for changes in capital structure;
- application of malus and clawback provisions;
- interpreting the plan rules where necessary; and
- undertaking the annual review of weighting of performance measures and setting targets for the annual bonus plan and other incentive schemes, where applicable, from year to year.

If an event occurs which results in the annual performance plan or the Plans (where performance conditions apply) performance conditions and/or targets being deemed unfair or impractical (e.g. material acquisition or divestment), the Committee will have the ability to amend, relax or waive (and/or recommend such alterations to the Board for approval) measures and/or targets and alter weightings.

The Committee reserves the right to make any compensation payments and/or payments for loss of office (including exercising any discretions available to it in connection with such payments) notwithstanding that they are not in line with the Policy where the terms of the payment were agreed (i) before the Company's first shareholder-approved Policy came into effect; or (ii) at a time when the relevant individual was not a Director of the Company and, in the opinion of the Committee, the payment was not in consideration for the individual becoming a Director of the Company. For these purposes "payments" includes the Committee satisfying awards of variable compensation and, in relation to an equity award, the terms of the payment are "agreed" at the time the award is granted.

The Committee may make minor amendments to the Policy (for regulatory, exchange control, tax or administrative purposes or to take account of a change in legislation) without obtaining shareholder approval.

EMPLOYMENT CONDITIONS

The Committee is regularly updated throughout the year on pay and conditions applying to Company employees. Where significant changes are proposed to employment conditions, these are highlighted for the attention of the Committee at an early stage.

Whilst the Committee does not currently consult directly with employees regarding its policy for directors, the Committee is considering the best method of bringing the employee voice to the boardroom.

POLICY FOR THE REMUNERATION OF EMPLOYEES AND CONSIDERATION OF EMPLOYMENT CONDITIONS ELSEWHERE IN THE COMPANY

The Company aims to provide all employees with a remuneration package that is competitive and which is appropriate to promote the long-term success of the Company, while not paying more than is necessary. Generally, all employees will receive a base salary, benefits, a discretionary bonus subject to performance and equity awards. In respect of the Executive Director and other members of the senior management team, the compensation package is more heavily weighted towards variable pay and a greater proportion is delivered in equity. The Plans, in which all of the Company's employees can participate, were introduced to align employee and shareholder interests.

The Committee does not formally consult with employees when determining Executive Director compensation.

CONSIDERATION OF SHAREHOLDER VIEWS

This is the first Policy to be subject to a vote of the Company's shareholders. The views of the Company's shareholders are important, and the Committee welcomes any feedback from shareholders or their advisors on the Company's remuneration arrangements. Any feedback received will be considered by the Committee as it develops the Company's remuneration framework and practices going forward.

ILLUSTRATION OF APPLICATION OF THE POLICY

The following chart provides an illustration, for the Chief Executive Officer, of the application of the Policy for the year ending 31 December 2022. The chart shows the split of remuneration between fixed pay, the annual performance bonus and equity awards on the basis of minimum remuneration, remuneration receivable for performance in line with Company expectations and maximum remuneration. The CEO's target bonus for 2022 is 55% of base salary, which is less than that shown in the illustration of the policy below.

	<u>Fixed pay</u>	<u>Annual performance bonus</u>	<u>Equity awards</u>
Minimum performance	<ul style="list-style-type: none"> Base salary as at 1 January 2022 for the CEO was \$621,000. 	No bonus	No equity award

The Company only has one Executive Director, Dr. Saurabh Saha, and below provides his base case, expected, and maximum remuneration with respect to the period ending 31 December 2023. Dr. Saha will only receive market value options in 2023 as is assumed in this illustration which have an intrinsic value of \$0 and are therefore not included in the chart and there is no illustration of share price appreciate on equity award value. The assumptions used in the calculations are set out below:

APPROACH TO COMPENSATION ON RECRUITMENT

When hiring a new Executive Director, the Committee will typically align the compensation package with the Policy taking into account the skills, experience and country of residence of the relevant individual as well as broader considerations such as market competitiveness. The Committee may however include other elements of compensation, as described below, which it considers appropriate.

Base salary will be set at a level appropriate to the role and the experience of the Executive Director being appointed. This may include agreement on future increases, in line with increased experience and/or responsibilities, subject to satisfactory performance, where it is considered appropriate. Benefits, including retirement benefits, will be provided in line with the Policy and to reflect the local market. Where an Executive Director is required to relocate in order to take up the position, relocation benefits may be provided.

The maximum annual performance bonus will be in line with the approach outlined in the Policy. Any equity award will be granted at the discretion of the Committee and in line with the Policy.

The maximum level of variable compensation that may be awarded on an ongoing basis to a new Executive Director (including the annual performance bonus and any equity awards) would be determined by the Committee on appointment. This would not include any amounts paid in relation to replacement awards or recruitment awards, which would be determined at the discretion of the Committee.

Where a position is filled internally, any ongoing compensation obligations or outstanding variable compensation will continue to be honoured in accordance with their terms.

Compensation for a newly appointed Non-Executive Director will be in line with the Policy. In terms of equity awards, the Initial Grant will be made upon their election to the Board.

Service contracts and policy on payments for loss of office

Service contracts and letters of appointment, as applicable, are available for inspection at the Company's registered office.

RELATIVE IMPORTANCE OF SPEND ON PAY

The Committee considers the Company's research and development expenditure relative to salary expenditure for all employees to be the most appropriate metric for assessing overall spend on pay due to the nature and stage of the Company's business. The Company does not have a history of making any dividend distributions and does not intend to make any distributions in the near future. The graph below illustrates the total salary payable to all employees in comparison to research and development expenditures (excluding the IPR&D charge related to the acquisition) for the period 1 January 2022 through 31 December 2022 compared to the prior year.
