Subject: Lilly to Acquire Centessa

As a valued [partner] of Centessa, I am reaching out today to share some exciting news about our company. Today, we announced that we have entered into a definitive agreement to be acquired by Eli Lilly (“Lilly”). You can read the press release on our website announcing the transaction.

At this point, we do not anticipate changes to Centessa’s operations, and we expect you will continue to interface with the same members of the Centessa team. The transaction is anticipated to close in the third quarter of 2026, subject to approval by Centessa shareholders, sanction by the High Court of Justice of England and Wales and satisfaction of other customary closing conditions, including receipt of regulatory approvals. Until then, Centessa and Lilly continue to operate as separate companies. We expect to update you as the process proceeds.

As you are likely aware, Lilly is a global leader in innovative medicines. By combining our complementary pipeline and expertise with Lilly’s global development, regulatory, and commercial capabilities, we will be even better positioned to realize faster the full potential of our orexin receptor 2 (OX2R) agonist portfolio, which includes clemimorexton (formerly known as ORX750) our most advanced OX2R agonist for the treatment of narcolepsy type 1 (NT1), narcolepsy type 2 (NT2) and idiopathic hypersomnia (IH), and address large unmet medical needs.

Please reach out to [contact] if you have further questions regarding this announcement.

We appreciate working with you and thank you for your partnership.

Sincerely,
